Item 1.01. Entry into a Material Definitive Agreement

Investment Agreement

On March 15, 2020, Liberty TripAdvisor Holdings, Inc. ("Liberty TripAdvisor") entered into an Investment Agreement (the "Investment Agreement") with Certares Holdings LLC, Certares Holdings (Blockable) LLC, and Certares, Holdings (Optional) LLC (collectively, the "Purchaser"). Pursuant to the Investment Agreement, Liberty TripAdvisor agreed to issue and sell to the Purchaser 325,000 shares of Liberty TripAdvisor's newly-created 8% Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share (the "Series A Preferred Stock"), for a purchase price of \$1,000 per share. The Investment Agreement provides for a proposed closing date of March 30, 2020, but the parties have agreed to use reasonable efforts to close earlier. The Investment Agreement provides the minimal conditions to closing. For example, no regulatory approvals are needed as a condition to closing under the Investment Agreement. The net proceeds from the investment will be used to repay a portion of the outstanding balance under Liberty TripAdvisor's existing margin loan (as described in Item 8.01 below). The remaining balance of the margin loan will be repaid with cash on hand and \$34 million of secured borrowings against the 2020 Forward Contract (as defined below).

The Investment Agreement contains certain covenants of Liberty TripAdvisor and the Purchaser, including, among other things, a covenant that, subject to certain exceptions, the Purchaser will not transfer, or agree to transfer, any of its shares of Series A Preferred Stock.

LTRIP Board Matters. For so long as at least 25% of the original aggregate liquidation value of the Series A Preferred Stock remains outstanding (the "Threshold Amount"), the holders of a majority of the Series A Preferred Stock may appoint one director (the "Series A Preferred Threshold Director") to Liberty TripAdvisor's board of directors (the "Liberty TripAdvisor Board"). Upon the closing, Mr. Gregory O'Hara, Founder and Senior Managing Director of Certares Holdings LLC, will be appointed as the Series A Preferred Threshold Director and Vice Chairman of the Liberty TripAdvisor Board.

Consent Rights. For so long as the Threshold Amount remains outstanding, Liberty TripAdvisor will not pay any dividends on or repurchase shares of Liberty TripAdvisor common stock without the prior written consent of the holders of a majority of the Series A Preferred Stock (subject to certain exceptions). In addition, for so long as the Purchaser beneficially owns a number of shares of Series A Preferred Stock with an aggregate liquidation value at least equal to the Threshold Amount, Liberty TripAdvisor will be required to obtain the prior written consent of the holders of at least a majority of the Series A Preferred Stock prior to incurring certain indebtedness, issuing any stock which ranks on a parity basis with or senior to the Series A Preferred Stock, issuing shares of Series B common stock, par value \$0.01 per share, of Liberty TripAdvisor ("LTRPB"), subject to certain exceptions, entering into certain affiliate transactions and transferring shares of Class B Common Stock, par value \$0.001 per share ("Tripadvisor Class B Common Stock"), and Common Stock, par value \$0.001 per share ("Tripadvisor Common Stock"), of TripAdvisor, Inc. ("Tripadvisor").

Sales Process. If the board of directors of Liberty TripAdvisor approves the initiation of a sale process to effect a change in control of itself or the entry into negotiations with a third party for a change in control, and, at such time, the Purchaser beneficially owns a number of shares of Series A Preferred Stock with an aggregate liquidation value equal to at least the Threshold Amount, the Investment Agreement requires Liberty TripAdvisor to provide notice of such intent to the Purchaser, designate a nationally recognized investment bank to act as financial advisor, and provide the Purchaser the opportunity to participate as a potential buyer. In addition, if the Purchaser owns a number of shares of Series A Preferred Stock with an aggregate liquidation value equal to at least the Threshold Amount, subject to certain exceptions, the Purchaser is entitled to certain rights to match offers consisting of at least 90% of cash consideration to acquire Liberty TripAdvisor or LTRPB shares owned by Gregory B. Maffei, Liberty TripAdvisor's Chairman of the Board, President and Chief Executive Officer, as the case may be.

Consultation. For so long as the Purchaser owns shares of Series A Preferred Stock having a liquidation value equal to the Threshold Amount, the Purchaser is entitled to certain consultation rights with Liberty TripAdvisor with respect to any matter on which Liberty TripAdvisor votes its shares of TripAdvisor equity and with Mr. Maffei with respect to any matter on which he votes his LTRPB shares.

Tripadvisor Board. The Investment Agreement also requires Liberty TripAdvisor, upon closing, to nominate an individual designated by the Purchaser to the board of directors of Tripadvisor for so long as (i) Purchaser beneficially owns a number of shares with an aggregate liquidation value equal to at least the Threshold Amount and (ii) Liberty TripAdvisor has a right to nominate at least two directors to Tripadvisor's board of directors under the Governance Agreement among Tripadvisor, Liberty Interactive Corporation (now known as Qurate Retail, Inc.) and Barry Diller, dated as of December 20, 2011, as amended by the Assignment and Assumption of Governance Agreement among Tripadvisor, Liberty TripAdvisor and Liberty Interactive Corporation, dated August 12, 2014. Mr. O'Hara is expected to be nominated to the board of directors of Tripadvisor.

The summary of the Investment Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Investment Agreement, which is attached hereto as Exhibit 4.1, and is incorporated herein by reference.

Registration Rights Agreement

The Investment Agreement requires Liberty TripAdvisor and the Purchaser to enter into a Registration Rights Agreement at the closing of the sale of the Series A Preferred Stock under the Investment Agreement (the "Registration Rights Agreement"). Under the Registration Rights Agreement, the Purchaser is entitled to demand and piggyback registration rights with respect to the shares of Series A Preferred Stock and any shares of common stock of Liberty TripAdvisor paid to satisfy its obligations under the Investment Agreement and the Certificate of Designations (as defined below). The Purchaser will be entitled to four demand registration rights, subject to certain limitations, including that each demand must cover at least \$15,000,000 in value of shares to be registered and that Liberty TripAdvisor will not be required to effect more than one underwritten shelf takedown during any 180 day period. Liberty TripAdvisor will pay the costs associated with such registrations (other than underwriting discounts, fees and commissions).

The summary of the Registration Rights Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Registration Rights Agreement, which is attached hereto as Exhibit 4.2, and is incorporated herein by reference.

Certificate of Designations

The Certificate of Designations for the Series A Preferred Stock of Liberty TripAdvisor (the "Certificate of Designations") designates the Series A Preferred Stock and establishes its preferences, limitations, voting powers and relative rights. The Certificate of Designations will become effective upon filing with the Secretary of State of the State of Delaware.

Priority. The Series A Preferred Stock ranks senior to the shares of common stock of Liberty TripAdvisor, with respect to dividend rights, rights of redemption and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of Liberty TripAdvisor. Shares of Series A Preferred Stock are not convertible into shares of common stock of Liberty TripAdvisor. The Series A Preferred Stock has a liquidation value equal to the sum of (i) \$1,000, plus (ii) all unpaid dividends (whether or not declared) accrued with respect to such share which pursuant to the terms of the Certificate of Designations has been added to the liquidation price.

Dividends. Dividends on each share of Series A Preferred Stock will accrue on a daily basis at a rate of 8.00% of the liquidation value and will be payable, in accordance with the terms and conditions of the Certificate of Designations, annually, commencing after the date that the Series A Preferred Stock was first issued (the "Original Issue Date"). Dividends on each share of Series A Preferred Stock may be paid, at Liberty TripAdvisor's election, in cash, shares of Series A common stock, par value \$0.01 per share ("LTRPA"), of Liberty TripAdvisor, or, at the election of the Purchaser, shares of Series C common stock, par value \$0.01 per share ("LTRPK"), of Liberty TripAdvisor, provided, in each case, such shares are listed on a national securities exchange and are actively traded (such LTRPK shares, together with the LTRPA shares, the "Eligible Common Stock"), or a combination of cash and Eligible Common Stock. If a dividend is not declared and paid on the dividend payment date, the dividend amount will be added to the then-applicable liquidation price of the Series A Preferred Stock.

Redemption. Except as described below, Liberty TripAdvisor is required to redeem for cash shares of Series A Preferred Stock on the earlier of (i) the first business day after the fifth anniversary of the Original Issue Date or (ii) subject to certain exceptions, a change in control of Liberty TripAdvisor (such earlier date, the “Mandatory Redemption Date”). If all of the transaction consideration for such a change in control of Liberty TripAdvisor consists of publicly-traded equity securities, the redemption payment will consist of a number of shares of such equity securities to be determined in accordance with the Certificate of Designations. The “Redemption Price” in a mandatory redemption or the exercise of a holder’s put right (as described below) will equal the greater of (i) the sum of the liquidation value on the redemption date, plus all unpaid dividends accrued since the last dividend date, and (ii) the product of the (x) initial liquidation value, multiplied by (y) an accretion factor (determined based on a formula set forth in the Certificate of Designations) with respect to the Tripadvisor Common Stock, less (z) the aggregate amount of all dividends paid in cash or shares of Eligible Common Stock from the Original Issue Date through the applicable redemption date.

Put Right. Following the first anniversary of the Original Issue Date, the Purchaser will have the right to cause Liberty TripAdvisor to redeem all of the outstanding shares of Series A Preferred Stock at the Redemption Price for, at the election of Liberty TripAdvisor, cash, shares of Eligible Common Stock, shares of Tripadvisor Common Stock or any combination of the foregoing, subject to certain limitations. The Purchaser may exercise its put right by delivering notice to Liberty TripAdvisor within a certain number of days following the filing by Liberty TripAdvisor of its periodic reports with the SEC, and Liberty TripAdvisor will have 180 days from the delivery of such notice to redeem the outstanding Series A Preferred Stock (the “Put Option Mandatory Redemption Date”). If Liberty TripAdvisor determines not to redeem the Series A Preferred Stock within that 180-day period, Liberty TripAdvisor may facilitate the sale of Purchaser’s Series A Preferred Stock and, if necessary, make the Purchaser whole for any shortfall from the redemption price.

Penalty Provisions. If Liberty TripAdvisor fails to redeem all of the Series A Preferred Stock on the Mandatory Redemption Date or the Put Option Mandatory Redemption Date, then the dividend rate will increase from 8.00% to 12.00% of the liquidation value and the holders of a majority of the Series A Preferred Stock may appoint an additional director.

Board Matters. Both of the Series A directors will not be subject to the board classification provisions of Liberty TripAdvisor’s Restated Certificate of Incorporation and will serve on the Liberty TripAdvisor Board until such director’s removal or resignation; provided that, the Series A Preferred Threshold Director’s term will automatically expire when the Threshold Amount is no longer satisfied and the additional Series A director’s term will automatically expire once there are no shares of Series A Preferred Stock outstanding. The Series A Preferred Threshold Director and the additional Series A director may only be removed by a majority of the holders of Series A Preferred Stock.

Voting; Convertibility. Holders of Series A Preferred Stock are not entitled to any voting powers, except as otherwise specified in the Certificate of Designations or as required by Delaware law. Shares of Series A Preferred Stock are not convertible into Liberty TripAdvisor common stock.

The summary of the Certificate of Designations does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Certificate of Designations, which is attached hereto as Exhibit 3.1 and are incorporated herein by reference.

Item 2.04 Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On March 10, 2020 (the “Second Amendment Effective Date”), Liberty TripAdvisor LLC, a wholly owned subsidiary of which Liberty TripAdvisor is a manager and sole member (“TripSPV”), entered into a Second Amendment to its previously disclosed Margin Loan Agreement (each as defined below). As of the Second Amendment Effective Date, the amount of borrowings outstanding, including PIK interest as of December 31, 2019, under the Margin Loan Agreement were comprised of approximately (i) \$231 million under a term loan facility, (ii) \$15 million under delayed draw term loan facility and (iii) \$109 million under additional and separate term loan facilities (collectively, the “Margin Loan”), and all of the shares of Tripadvisor Common Stock and all of the Tripadvisor Class B Common Stock, in each case, owned by TripSPV were pledged as collateral to secure the Margin Loan.

The Margin Loan Agreement matures in November 2022 and provides that, among other triggering events, and in relevant part, if at any time the closing price per share of Tripadvisor's common stock falls below the lesser of \$18.50 and a share price based on a pre-established formula set forth in the Margin Loan Agreement (the "First Mandatory Prepayment Event Price"), TripSPV must prepay approximately 50% of the aggregate principal amount of the Margin Loans outstanding (and all interest accrued thereon) (the "First Mandatory Prepayment Event"). The Margin Loan Agreement further provides that if at any time the closing price per share of Tripadvisor Common Stock falls below a lower share price based on a pre-established formula set forth in the Margin Loan Agreement (the "Second Mandatory Prepayment Event Price"), the aggregate principal balance of the Margin Loans outstanding must be repaid in full (the "Second Mandatory Prepayment Event").

On March 11, 2020, the closing share price of the Tripadvisor Common Stock fell below First Mandatory Prepayment Event Price and the calculation agent provided notice to TripSPV ("First Prepayment Notice") that it is required to prepay approximately \$181 million. In response to the First Prepayment Notice, on March 12, 2020, TripSPV delivered a notice to the calculation agent and the administrative agent of its intent to repay any amounts owed thereunder by selling pledged shares.

After TripSPV delivered its response notice to the First Prepayment Notice, the calculation agent delivered a second mandatory prepayment notice, dated March 12, 2020 (the "Second Prepayment Notice"), due to the closing share price of Tripadvisor Common Stock falling below another minimum value. In response to the Second Prepayment Notice, on March 13, 2020, TripSPV delivered a notice to the calculation agent and the administrative agent of its intent to repay any amounts owed thereunder by selling pledged shares. TripSPV also intends to use certain proceeds received under the 2020 Forward Contract (together with any cash-on-hand, including from investments or contributions) to fund a portion of any amounts that are due.

It is Liberty TripAdvisor's understanding that, during the pendency of the transactions contemplated by the Investment Agreement as described above in Item 1.01, the lenders do not intend to exercise their rights to foreclose on the Tripadvisor Common Stock and Tripadvisor Class B Common Stock pledged as collateral for the Margin Loan.

In the event that TripSPV does not deliver the funds when required, the lenders may foreclose on the Tripadvisor Common Stock and Tripadvisor Class B Common Stock pledged as collateral for the Margin Loan. In connection with any sale by the lenders following foreclosure, the lenders must first sell all shares of Tripadvisor Common Stock prior to any shares of Tripadvisor Class B Common Stock being converted and sold on foreclosure. Shares of Tripadvisor Class B Common Stock must first be converted into shares of Tripadvisor Common Stock before they may be sold on foreclosure.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any offer, solicitation or sale of any securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification of any such securities under the securities laws of such state or jurisdiction.

Item 3.02. Unregistered Sales of Equity Securities

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference. The issuance of the shares of Series A Preferred Stock pursuant to the Investment Agreement and shares of LTRPA and LTRPK as dividends pursuant to the Certificate of Designations is intended to be exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), by virtue of the exemption provided by Section 4(a)(2) of the Securities Act.

Item 3.03. Material Modification to Rights of Security Holders

The information regarding set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal year

The information regarding the Certificate of Designations set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure

On March 16, 2020, Liberty TripAdvisor issued a press release announcing the investment by the Purchaser.

This Item 7.01 of this Current Report on Form 8-K and the press release attached hereto as Exhibit 99.1 are being furnished to the Securities and Exchange Commission in satisfaction of the public disclosure requirements of Regulation FD and shall not be deemed “filed” for any purpose.

Item 8.01. Other Events

Second Amendment to Margin Loan Agreement

On the Second Amendment Effective Date, TripSPV entered into a second amendment (the “Second Amendment”) to that certain Margin Loan Agreement, dated as of June 10, 2019, as amended by Amendment No. 1 to Margin Loan Agreement, dated as of November 19, 2019, by and among TripSPV, as borrower, Liberty TripAdvisor, as guarantor, Credit Suisse AG, Cayman Islands Branch, as calculation agent (the “Calculation Agent”), the various financial institutions party thereto as lenders (each, a “Lender”), and Société Générale, as administrative agent (the “Existing Margin Loan Agreement,” and the Existing Margin Loan Agreement as amended by that Second Amendment and as further amended, restated, amended and restated, supplemented or otherwise from time to time, the “Margin Loan Agreement”). On March 9, 2020, and in accordance with the terms of the Existing Margin Loan Agreement, TripSPV and Credit Suisse Capital LLC and/or its affiliates (“CS”) entered into the variable forward transaction (described under “2020 Forward Contract” below). Pursuant to the Second Amendment, each Lender and each agent (to the extent applicable), among other things, granted TripSPV a limited waiver from certain representations, warranties and covenants set forth in the Existing Margin Loan Agreement for the purposes of the 2020 Forward Contract. TripSPV intends to use the prepayment amount received under the 2020 Forward Contract (together with any cash-on-hand, including from investments or contributions) in part to pay down outstanding loans under the Margin Loan Agreement (“Loans”). The Second Amendment also provides for additional amendments to the Existing Margin Loan Agreement as more fully set forth therein, including: (i) a modification of the margin call loan-to-value ratio based on a pre-established formula set forth in the Second Amendment; (ii) a modification in the maintenance loan-to-value trigger price; (iii) a modification in the price of the shares that results in mandatory prepayment events; and (iv) for the release, as more fully described below in the 2020 Forward Contract, of up to 18,159,752 shares of Common Stock of Tripadvisor (the “Released Pledge Shares”) from the pledge of shares of Tripadvisor Common Stock and Tripadvisor Class B Common Stock that secures TripSPV’s obligations under the Margin Loan Agreement.

2020 Forward Contract

On March 9, 2020, TripSPV entered into an agreement (the “2020 Forward Contract”) establishing the terms and conditions of a variable forward transaction with CS. The 2020 Forward Contract obligates TripSPV to deliver to CS (or any assignee thereof in accordance with the 2020 Forward Contract) up to the Number of Shares (defined below) based on the share prices over a specified period in the first quarter of 2023 (the “Valuation Period”). The “Number of Shares” is defined as the number of shares of Common Stock of Tripadvisor in respect of which CS completes an initial hedge during a hedge period that started on March 9, 2020 and that will end no later than 30 scheduled trading days thereafter, subject to certain conditions set forth in the 2020 Forward Contract (the “Initial Hedging Period”), provided that such number shall not exceed either (a) the number of shares of Common Stock of Tripadvisor that would result in a prepayment amount of \$200,000,000 or (b) 18,159,752 shares of Common Stock. Alternatively, TripSPV may choose to deliver an equivalent amount of cash based on a measure of the average share price over the Valuation Period (the “Settlement Price”). Under the terms of the Forward Contract, TripSPV will receive a prepayment amount equal to a portion of the product of the average per share price at which CS completes its hedging share sales during the Initial Hedging Period, net of trading costs (the “Initial Share Price”), and the Number of Shares.

TripSPV has agreed to pledge the Number of Shares, which could be up to 18,159,752 shares of Common Stock of Tripadvisor (the “Pledge Shares”) (which constitute the Released Pledged Shares), to secure its obligations under the Forward Contract, and retains voting rights in the Pledge Shares during the term of the pledge absent a default under the Forward Contract.

If TripSPV elects share settlement, TripSPV will be obligated to deliver fewer than the Number of Shares if (and to the extent that) on trading days during the Valuation Period the average per share price is less than 90% of the Initial Share Price. As noted above, alternatively TripSPV may choose to deliver a cash equivalent amount in lieu of such shares.

Because the closing share price of Tripadvisor Common Stock was less than \$15.00 per share during the Initial Hedging Period, CS was permitted to deliver a notice to TripSPV to terminate the Initial Hedging Period. Although no such notice has been delivered, CS stopped hedging activity under the 2020 Forward Contract on March 12, 2020. As of the date hereof, TripSPV intends to borrow up to \$34 million to fund a portion of the repayment of the Margin Loans upon the closing of the sale of the Series A Preferred Stock and approximately 2.2 million shares of Tripadvisor Common Stock will secure the 2020 Forward Contract.

4. Distributions Upon Liquidation, Dissolution or Winding Up.

Subject to the prior payment in full of the preferential amounts to which any Senior Stock is entitled, in the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the holders of shares of the Series A Preferred Stock shall be entitled to receive from the assets of the Corporation available for distribution to the stockholders, before any payment or distribution shall be made to the holders of any Junior Stock, an amount in cash, or to the extent the amount of cash distributable in such liquidation is less than the Special Liquidation Price, property at its Fair Market Value, as determined by the Board of Directors in good faith, or a combination thereof, per share, equal to the Special Liquidation Price, which payment shall be made pari passu with any such payment made to the holders of any Parity Stock. The holders of the Series A Preferred Stock shall be entitled to no other or further distribution of or participation in any remaining assets of the Corporation after receiving in full the amount set forth in the immediately preceding sentence. If, upon distribution of the Corporation's assets in liquidation, dissolution or winding up, the assets of the Corporation to be distributed among the holders of the Series A Preferred Stock and to all holders of any Parity Stock shall be insufficient to permit payment in full to such holders of the preferential amounts to which they are entitled, then the entire assets of the Corporation to be distributed to holders of the Series A Preferred Stock and such Parity Stock shall be distributed *pro rata* to such holders based upon the aggregate of the full preferential amounts to which the shares of Series A Preferred Stock and such Parity Stock would otherwise respectively be entitled. Neither the consolidation or merger of the Corporation with or into any other corporation or corporations nor the sale, transfer or lease of all or substantially all the assets of the Corporation shall itself be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this paragraph 4. Notice of the liquidation, dissolution or winding up of the Corporation shall be mailed, first class mail, postage prepaid, not less than twenty (20) days prior to the date on which such liquidation, dissolution or winding up is expected to take place or become effective, to the holders of record of the Series A Preferred Stock at their respective addresses as the same appear on the books of the Corporation or are supplied by them in writing to the Corporation for the purpose of such notice.

For the avoidance of doubt, any shares of Series A Preferred Stock that remain outstanding after the Mandatory Redemption Date pursuant to this paragraph 5(a) shall continue to accrue dividends in accordance with the provisions in paragraph 3(d) hereof for so long as such shares remain outstanding. The Corporation shall not redeem any shares of Series A Preferred Stock except as expressly authorized in this paragraph 5.

(ii) In connection with a Mandatory Redemption resulting from a Company Change in Control in which the holders of the Series A Preferred Stock are to be redeemed for Publicly Traded Securities in accordance with paragraph 5(a)(i) above, the Corporation will provide in the applicable merger agreement or other agreement that in connection with such transaction the holders of Series A Preferred Stock will receive in respect of each share of Series A Preferred Stock the Applicable Amount of the shares or other units of Publicly Traded Securities issued to the holders of Eligible Common Stock in such transaction. (b) Partial Redemption. If on the Mandatory Redemption Date, the Corporation, pursuant to applicable law or the terms of any bona fide Debt Instrument or Senior Stock, in each case, not issued or incurred in violation of this Certificate of Designations or the Investment Agreement, shall not have funds legally available to redeem, or otherwise be prohibited or restricted from redeeming, all outstanding shares of Series A Preferred Stock, those funds that are legally available and not so restricted or prohibited will be used to redeem the maximum possible number of such shares of Series A Preferred Stock. At any time and from time to time thereafter when additional funds of the Corporation are legally available and not so restricted or prohibited for such purpose, such funds shall be used in their entirety to redeem the outstanding shares of Series A Preferred Stock that the Corporation failed to redeem on the Mandatory Redemption Date until the balance of such shares has been redeemed. The shares of Series A Preferred Stock to be redeemed in accordance with this paragraph 5(b) shall be redeemed pro rata from among the holders of outstanding shares of Series A Preferred Stock.

(c) Notice of Redemption and Certificates. The Corporation shall mail notice of redemption to each holder of shares of Series A Preferred Stock (such notice, a “Notice of Redemption”) in accordance with paragraph 15 hereof not later than thirty (30) days prior to the Mandatory Redemption Date. The Corporation shall further supplement the Notice of Redemption with the actual Mandatory Redemption Price as soon as such value can be readily determined, but in no event later than one (1) Business Day prior to the Mandatory Redemption Date. On or before the Mandatory Redemption Date, each holder of shares of Series A Preferred Stock to be redeemed on such Mandatory Redemption Date, shall, if a holder of shares in certificated form, surrender the certificate or certificates representing such shares (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation, in the manner and at the place designated in the Notice of Redemption, and thereupon the Mandatory Redemption Price, for such shares shall be payable to the order of the Person whose name appears on such certificate or certificates as the owner thereof (or any other Person designated by such owner) in accordance with the terms and conditions of this Certificate of Designations.

(d) Deposit of Mandatory Redemption Price. If the Notice of Redemption shall have been mailed as provided in paragraph 5(c) hereof, and if on or before the Mandatory Redemption Date specified in such Notice of Redemption, the consideration necessary for such redemption shall have been set aside so as to be available therefor and only therefor, then on and after the close of business on the Mandatory Redemption Date, the shares of Series A Preferred Stock called for redemption, notwithstanding that any certificate therefor shall not have been surrendered for cancellation, shall automatically be redeemed and no longer be deemed outstanding, and all rights with respect to such shares shall forthwith cease and terminate, except the right of the holders thereof to receive upon surrender of their certificates the consideration payable upon redemption thereof.

(e) Status of Redeemed Shares. Any shares of Series A Preferred Stock that are redeemed, purchased or otherwise acquired by the Corporation shall be retired and shall be restored to the status of authorized and unissued shares of preferred stock of the Corporation and may be reissued as part of another series of the preferred stock of the Corporation, but such shares shall not be reissued as Series A Preferred Stock.

(f) Certain Restrictions. If and so long as the Corporation shall fail to redeem on the Mandatory Redemption Date all shares of Series A Preferred Stock required to be redeemed on such date, the Corporation shall not redeem, or discharge any sinking fund obligation with respect to any Junior Stock or Parity Stock and shall not purchase or otherwise acquire any shares of Series A Preferred Stock, Junior Stock or Parity Stock, unless and until all then shares of Series A Preferred Stock to be redeemed are redeemed pursuant to the terms hereof.

(g) Put Right. Following the first (1st) anniversary of the Original Issue Date, the Purchaser shall have the right, but not the obligation, to exercise an option to cause the Corporation to redeem all, but not less than all, of the outstanding shares of Series A Preferred Stock (the “Put Option”) for the Mandatory Redemption Price. The Put Option may be exercised by the Purchaser within fifteen (15) calendar days after the filing of the Corporation’s Form 10-Q for the quarters ending each of March 31st, June 30th and September 30th and Form 10-K for the year ending December 31st of each year following the first anniversary of the Original Issue Date (provided that if the Corporation is delinquent in any such filings the aforementioned fifteen (15) calendar day period will commence on the anniversary of the prior year’s corresponding Form 10-Q or Form 10-K filing, as applicable), by delivery of a written notice to the Corporation (“Put Option Exercise Notice”) and, upon delivery of the Put Option Exercise Notice, the Corporation shall have one hundred and eighty (180) days from the delivery of such Put Option Exercise Notice (such date, or, if earlier, the date on which the Corporation actually consummates such Put Option, the “Put Option Mandatory Redemption Date”) to redeem all outstanding shares of Series A Preferred Stock out of funds legally available therefor at the Mandatory Redemption Price per share, payable, in, at the election of the Corporation, any combination of cash, shares of Eligible Common Stock or shares of Reference Stock (with such shares of Eligible Common Stock or Reference Stock valued for this purpose at a price per share equal to the VWAP of a share of the applicable Eligible Common Stock or Reference Stock VWAP, respectively, determined over the three (3) Trading Day period ending of the second (2nd) Trading Day preceding the Put Option Mandatory Redemption Date); provided, that (x) the number of shares of Eligible Common Stock issued or deliverable by the Corporation will not exceed, after giving effect to such issuance or delivery, 15% of the outstanding shares of the Corporation, and (y) the Corporation may, to raise cash funds for the payment of the Mandatory Redemption Price, initiate a sale process to identify a third party buyer for the Purchaser’s shares of Series A Preferred Stock, and the Purchaser shall cooperate in good faith with respect to, and may participate in, such process (subject to the restrictions on Transfer in the Investment Agreement); provided, further, that such process shall not relieve the Corporation of the obligation to pay the full Mandatory Redemption Price. At least two (2) Business Days prior to the Put Option Mandatory Redemption Date, the Corporation shall deliver in writing to the Purchaser a Notice of Redemption in accordance with the terms of paragraph 5(c) above; provided, that references to the Mandatory Redemption Date shall be substituted for the Put Option Mandatory Redemption Date. The provisions of paragraphs 5(d), (e) and (f) shall apply *mutatis mutandis* to the Put Option. Notwithstanding anything to the contrary contained herein, the maximum number of shares of Eligible Common Stock that may be issued under this paragraph 5(g) is subject to compliance with the shareholder approval requirements of the rules and regulations of The Nasdaq Stock Market LLC.

6. Protective Provisions.

In addition to any vote required by the Certificate of Incorporation or by applicable law, for so long as any of the shares of Series A Preferred Stock shall remain outstanding, the Corporation shall not (i) amend, alter or repeal any provision of this Certificate of Designations in a manner that adversely affects the powers, preferences or rights of the Series A Preferred Stock set forth in this Certificate of Designations, (ii) authorize, approve or issue any Parity Stock or Senior Stock, (iii) commence any voluntary liquidation, dissolution or winding up of the affairs of the Corporation, (iv) decrease in the number of directors on the Board of Directors below the number the holders of Series A Preferred Stock are entitled to appoint pursuant to this Certificate of Designations, or (v) take any action that would result in the issuer of the Series A Preferred Stock not being treated as a corporation for U.S. federal income tax purposes, in each case, without the written consent or affirmative vote of the majority of the holders of the then outstanding shares of Series A Preferred Stock, given in writing or by vote at a meeting, consenting or voting (as the case may be), separately as a series. If the Corporation shall propose to take such action, then the Corporation shall give notice of such proposed action to each holder of record of shares of Series A Preferred Stock appearing on the stock books of the Corporation as of the date of such notice at the address of said holder shown therein and shall cause to be filed with the Transfer Agent a copy of such notice. Such notice shall specify (x) the effective date of such action and (y) the other material terms of such action. Such notice shall be given at least twenty (20) Business Days prior to the effective date thereof. If at any time the Corporation shall abandon or cancel the proposed action for which notice has been given under this paragraph 6 prior to the effective date thereof, the Corporation shall give prompt notice of such abandonment or cancellation to each holder of record of shares of Series A Preferred Stock appearing on the stock books of the Corporation as of the date of such notice at the address of said holder shown therein.

7. Voting.

The holders of shares of Series A Preferred Stock shall have no voting rights whatsoever pursuant to this Certificate of Designations, except as specified herein or required by applicable law. For avoidance of doubt, and without limiting the generality of the foregoing, no vote or consent of holders of shares of Series A Preferred Stock will be required for (a) the creation or designation of any class or series of Junior Stock, or (b) any amendment to the Certificate of Incorporation or this Certificate of Designations that would increase the number of authorized shares of preferred stock of the Corporation.

8. Series A Preferred Director.

(a) Appointment.

(i) In connection with the issuance of shares of Series A Preferred Stock on the Original Issue Date pursuant to the terms of this Certificate of Designations and as contemplated by the Investment Agreement so long as there remain outstanding shares of Series A Preferred Stock having an aggregate Liquidation Price as determined from time to time in excess of an amount equal to 25% of the aggregate Liquidation Price of the shares of Series A Preferred Stock issued on and determined as of the Original Issue Date (the "Threshold Amount"), the registered holders of the Series A Preferred Stock will have the exclusive right to appoint one director to the Board of Directors acting by written consent of a majority of the shares thereof (the "Series A Preferred Threshold Director").

(ii) In the event of a Redemption Default (the "Redemption Director Effective Time"), until no shares of Series A Preferred Stock are outstanding, the registered holders of the Series A Preferred Stock will have the exclusive right to appoint one additional director to the Board of Directors acting by written consent of a majority of the shares thereof (the "Series A Preferred Redemption Director").

(b) Board Size.

(i) As of the Original Issue Date, the total authorized number of directorships of the Corporation shall be automatically increased by one directorship (which shall be the Series A Preferred Threshold Director directorship), and, following such time, such newly created Series A Preferred Threshold Director directorship shall be filled, at Purchaser's sole discretion, by written consent of the registered holders of the outstanding shares of Series A Preferred Stock.

(ii) Immediately upon the Redemption Director Effective Time, the total authorized number of directorships of the Corporation shall be automatically increased by one directorship (which shall be the Series A Preferred Redemption Director directorship), and, following such time, such newly created Series A Preferred Redemption Director directorship shall be filled, at the Purchaser's sole discretion, by written consent of the registered holders of the outstanding shares of Series A Preferred Stock.

(c) Term.

(i) The Series A Preferred Threshold Director will not be subject to the classification requirements set forth in Article V, Section B of the Certificate of Incorporation and will serve (once appointed pursuant to this paragraph 8) until such Series A Preferred Threshold Director is removed or resigns or the Threshold Amount is no longer satisfied. In the event the Series A Preferred Threshold Director is removed or resigns, the registered holders of shares of Series A Preferred Stock shall have the exclusive right to fill such vacancy by written consent of the registered holders of the outstanding shares of Series A Preferred Stock. Upon the Threshold Amount no longer being satisfied, (i) the right of the holders of Series A Preferred Stock to appoint the Series A Preferred Threshold Director and the term of office of such Series A Preferred Threshold Director will immediately expire, (ii) the person then serving as the Series A Preferred Threshold Director will immediately cease to be a director of the Corporation, and (iii) the Series A Preferred Threshold Director directorship shall be eliminated and the total authorized number of directorships of the Corporation shall be automatically reduced thereby. The Series A Preferred Threshold Director may only be appointed by the registered holders of Series A Preferred Stock in accordance with this paragraph 8, and if such Series A Preferred Threshold Director is not so appointed, the applicable Series A Preferred Threshold Director directorship shall remain vacant until such time as the registered holders of Series A Preferred Stock fill such vacancy in accordance with this paragraph 8.

(ii) The Series A Preferred Redemption Director will not be subject to the classification requirements set forth in Article V, Section B of the Certificate of Incorporation and will serve (once appointed pursuant to this paragraph 8) until such Series A Preferred Redemption Director is removed or resigns or no shares of Series A Preferred Stock are outstanding. (d) Removal.

(i) The Series A Preferred Threshold Director may only be removed by written consent of the registered holders of the outstanding shares of Series A Preferred Stock.

(ii) The Series A Preferred Redemption Director may only be removed by written consent of the registered holders of the outstanding shares of Series A Preferred Stock.

(e) Transfer Restrictions. Shares of Series A Preferred Stock may not be Transferred to any Person, except in accordance with the terms of the Investment Agreement. Any attempted Transfer in violation of the foregoing, shall be null and void *ab initio*.

9. Anti-Dilution Adjustments:

(a) Adjustments. The Conversion Rate will be subject to adjustment, without duplication, under the following circumstances:

(i) the issuance of Reference Stock as a dividend or distribution to all or substantially all holders of the Reference Stock, or a subdivision or combination of Reference Stock or a reclassification of Reference Stock into a greater or lesser number of shares of Reference Stock, in which event the Conversion Rate will be adjusted based on the following formula:

$$CR1 = CR0 \times (OS1 / OS0)$$

CR0	=	the Conversion Rate in effect immediately prior to the close of business on (i) the record date for such dividend or distribution, or (ii) the effective date of such subdivision, combination or reclassification
CR1	=	the new Conversion Rate in effect immediately after the close of business on (i) the record date for such dividend or distribution, or (ii) the effective date of such subdivision, combination or reclassification
OS0	=	the number of shares of Reference Stock outstanding immediately prior to the close of business on (i) the record date for such dividend or distribution or (ii) the effective date of such subdivision, combination or reclassification
OS1	=	the number of shares of Reference Stock outstanding immediately after the close of business on (i) the record date for such dividend or distribution, or (ii) the effective date of such subdivision, combination or reclassification

Any adjustment made pursuant to this clause (i) shall be effective immediately prior to the open of business on the Trading Day immediately following the record date, in the case of a dividend or distribution, or the effective date in the case of a subdivision, combination or reclassification. If any such event is declared but does not occur, the Conversion Rate shall be readjusted, effective as of the date the board of directors of the Reference Company announces that such event shall not occur, to the Conversion Rate that would then be in effect if such event had not been declared.

(ii) the dividend, distribution or other issuance to all or substantially all holders of Reference Stock of rights, options or warrants entitling them to subscribe for or purchase shares of Reference Stock, at less than the Current Market Price as of the record date for such issuance, in which event the Conversion Rate will be increased based on the following formula:

$$CR1 = CR0 \times (OS0 + X) / (OS0 + Y)$$

CR0	=	the Conversion Rate in effect immediately prior to the close of business on the record date for such dividend, distribution or issuance
CR1	=	the new Conversion Rate in effect immediately following the close of business on the record date for such dividend, distribution or issuance
OS0	=	the number of shares of Reference Stock outstanding immediately prior to the close of business on the record date for such dividend, distribution or issuance
X	=	the total number of shares of Reference Stock issuable pursuant to such rights, options or warrants
Y	=	the number of shares of Reference Stock equal to the aggregate price payable to exercise such rights, options or warrants <u>divided</u> by the Current Market Price of a share of Reference Stock as of the record date for such dividend, distribution or issuance

For purposes of this clause (ii), in determining whether any rights, options or warrants entitle the holders to purchase the Reference Stock at less than the Current Market Price as of the record date for such dividend, distribution or issuance, there shall be taken into account any consideration the Reference Company receives for such rights, options or warrants, and any amount payable on exercise thereof, with the value of such consideration, if other than cash, to be the Fair Market Value thereof.

Any adjustment made pursuant to this clause (ii) shall become effective immediately prior to the open of business on the Trading Day immediately following the record date for such dividend, distribution or issuance. In the event that such rights, options or warrants are not so issued, the Conversion Rate shall be readjusted, effective as of the date the board of directors of the Reference Company publicly announces its decision not to issue such rights, options or warrants, to the Conversion Rate that would then be in effect if such dividend, distribution or issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Reference Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the dividend, distribution or issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Reference Stock actually delivered.

(iii) the Reference Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Reference Stock (subject to an exception for cash in lieu of fractional shares) shares of any class or series of capital stock of the Reference Company (other than Reference Stock as covered by paragraph 9(a)(i) hereof), evidences of its indebtedness, cash, assets, other property or securities (including in a Distribution Transaction) or rights, options or warrants to acquire capital stock or other securities (including in a Distribution Transaction) of the Reference Company, but excluding (A) dividends or distributions referred to in paragraph 9(a)(i) hereof or (B) rights, options or warrants referred to in paragraph 9(a)(ii) hereof (any of such shares of capital stock, indebtedness, assets, property or rights, options or warrants to acquire Reference Stock or other securities of the Reference Company, hereinafter in this paragraph 9(a)(iii) called the “Distributed Property”), then, in each such case the Conversion Rate shall be adjusted based on the following formula:

$$CR1 = CR0 \times [SP0 / (SP0 - FMV)]$$

CR0	=	the Conversion Rate in effect immediately prior to the close of business on the record date for such dividend or distribution
CR1	=	the new Conversion Rate in effect immediately after the close of business on the record date for such dividend or distribution
SP0	=	the Current Market Price of a share of Reference Stock as of the record date for such dividend or distribution
FMV	=	the Fair Market Value of the portion of Distributed Property distributed with respect to each outstanding share of Reference Stock on the record date for such dividend or distribution

Provided, however, that in the event the Distributed Property consists of shares of a Distributed Entity distributed to stockholders of the Reference Company in a Distribution Transaction, then, in lieu of the adjustment pursuant to this clause (iii), the holders of the Series A Preferred Stock, acting by written consent of a majority of the outstanding shares thereof, may elect to engage in a Spinoff Exchange Offer and, in the event such Spinoff Exchange Offer is completed pursuant to the terms of the Investment Agreement, then no such adjustment will be made pursuant to this clause (iii).

(b) Calculation of Adjustments. All adjustments to the Conversion Rate shall be calculated by the Corporation to the nearest 1/10,000th of one share of Reference Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Rate will be required unless such adjustment would require an increase or decrease of at least one percent; provided, however, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; provided, further that any such adjustment of less than one percent that has not been made will be made upon the Mandatory Redemption Date, the Put Option Mandatory Redemption Date or Liquidation Date.

(c) When No Adjustment Required.

(i) Except as otherwise specifically provided in this paragraph 9, the Conversion Rate will not be adjusted for the issuance of Reference Stock or any securities convertible into or exchangeable for Reference Stock or carrying the right to purchase any of the foregoing.

(ii) No adjustment of the Conversion Rate will be made as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(d) Successive Adjustments. After an adjustment to the Conversion Rate under this paragraph 9, any subsequent event requiring an adjustment under this paragraph 9 shall cause an adjustment to each such Conversion Rate as so adjusted.

(e) Multiple Adjustments. For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Rate pursuant to this paragraph 9 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder.

(f) Other Adjustments. In the event the Mandatory Redemption Date, the Put Option Mandatory Redemption Date or Liquidation Date is scheduled to occur after the record date for any dividend, distribution, or other event with respect to which the Conversion Rate is to be adjusted pursuant to this paragraph 9, but prior to the completion of such dividend, distribution or other event, the Mandatory Redemption Date, the Put Option Mandatory Redemption Date or Liquidation Date, as applicable, at the election of the Corporation, may be delayed until the completion of such dividend, distribution or other event, provided, that the Corporation has taken appropriate action to set aside or hold separate, for the benefit of the holders of such shares of Series A Preferred Stock, the amounts payable (including securities) by the Corporation to the holders of such shares of Series A Preferred Stock.

(g) Notice of Adjustments. Whenever the Conversion Rate is adjusted as provided under this paragraph 9, the Corporation shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Corporation is not aware of such occurrence, as soon as reasonably practicable after becoming so aware) compute the adjusted applicable Conversion Rate in accordance with this paragraph 9 and prepare and transmit to the holders of shares of Series A Preferred Stock an Officer's Certificate setting forth the applicable Conversion Rate, the method of calculation thereof in reasonable detail, and the facts requiring such adjustment and upon which such adjustment is based.

10. Preemptive Rights.

The holders of shares of Series A Preferred Stock will not have any preemptive right to subscribe for or purchase any Capital Stock or other securities which may be issued by the Corporation.

11. No Sinking Fund.

Shares of Series A Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

12. Exclusion of Other Rights.

Except as may otherwise be required by law and except for the equitable rights and remedies that may otherwise be available to holders of Series A Preferred Stock, the shares of Series A Preferred Stock shall not have any powers, designations, preferences, or relative, participating, optional or other rights, other than those specifically set forth in this Certificate of Designations.

13. Replacement Certificates.

If physical certificates representing shares of Series A Preferred Stock are issued, the Corporation shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Transfer Agent. The Corporation shall replace certificates representing shares of Series A Preferred Stock that become destroyed, stolen or lost at the holder's expense upon delivery to the Corporation and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Corporation.

14. Taxes.

(a) Transfer Taxes. The Corporation shall pay any and all stock transfer, documentary, stamp and similar taxes that may be payable in respect of any issuance or delivery of shares of Series A Preferred Stock or other securities issued on account of Series A Preferred Stock pursuant hereto or certificates representing such shares or securities. The Corporation shall not, however, be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series A Preferred Stock or other securities in a name other than that in which the shares of Series A Preferred Stock with respect to which such shares or other securities are issued or delivered were registered, or in respect of any payment to any Person other than a payment to the registered holder thereof, and shall not be required to make any such issuance, delivery or payment unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid or is not payable.

(b) Withholding. Subject to the Investment Agreement, all payments and distributions (or deemed distributions) on the shares of Series A Preferred Stock shall be subject to withholding and backup withholding of tax to the extent required by applicable law, and amounts withheld, if any, shall be treated as received by holders.

15. Notices.

All notices referred to in this paragraph 15 shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of (i) receipt thereof, (ii) three (3) Business Days after the mailing thereof if sent by registered or certified mail (unless first class mail shall be specifically permitted for such notice under the terms of this Certificate of Designations) with postage prepaid, or (iii) one (1) Business Day after the mailing thereof if sent by overnight courier, addressed: (x) if to the Corporation, to its office at 12300 Liberty Boulevard, Englewood, Colorado, 80112, (y) if to any holder of Series A Preferred Stock, to such holder at the address of such holder as listed in the stock record books of the Corporation (which may include the records of the Transfer Agent) or (z) to such other address as the Corporation or any such holder, as the case may be, shall have designated by notice similarly given.

16. Waiver.

Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the holders of Series A Preferred Stock granted hereunder may be waived as to all shares of Series A Preferred Stock (and the holders thereof) upon the written consent of the Board of Directors and the holders of the shares of Series A Preferred Stock then outstanding.

17. Severability.

If any term of the Series A Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

18. Heading of Subdivisions.

The headings of the various subdivisions hereof are for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

(g) Purchase for Investment. The Purchaser acknowledges that none of the Purchased Shares (nor any Payment Shares) have been registered under the Securities Act or under any state or other applicable securities laws and, accordingly, must be held indefinitely unless a subsequent sale or other transfer thereof by the Purchaser is registered under the Securities Act and such securities or blue sky laws or is exempt from registration thereunder. The Purchaser (i) acknowledges that it is acquiring the Purchased Shares (and, if applicable, any Payment Shares) being purchased by it pursuant to an exemption from registration under the Securities Act solely for its own account for investment purposes with no intention to distribute any of the foregoing to any Person, (ii) will not sell, transfer, or otherwise dispose of any of the Purchased Shares (and, if applicable, any Payment Shares), except in compliance with this Agreement and the registration requirements or exemption provisions of the Securities Act and any other applicable securities Laws, (iii) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of its investment in the Purchased Shares (and, if applicable, any Payment Shares) and of making an informed investment decision, (iv) is an "accredited investor" (as that term is defined by Rule 501 of the Securities Act) and (v) (1) has had an opportunity to discuss with the Company and its representatives the intended business and financial affairs of the Company and to obtain information necessary to verify any information furnished to it or to which it had access and (2) can bear the economic risk of (x) an investment in the Purchased Shares (and, if applicable, any Payment Shares) indefinitely and (y) a total loss in respect of such investment. The Purchaser has such knowledge and experience in business and financial matters so as to enable it to understand and evaluate the risks of, and form an investment decision with respect to its investment in, the Purchased Shares (and, if applicable, any Payment Shares) and to protect its own interest in connection with such investment.

(h) No Reliance. In connection with the due diligence investigation of the Company by the Purchaser and its representatives, the Purchaser and its representatives may have received, and may continue to receive from the Company and its representatives, certain estimates, projections, forecasts and other forward-looking information regarding the Company and its Subsidiaries. The Purchaser hereby acknowledges that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements with which the Purchaser is familiar, that the Purchaser is making its own evaluation of the adequacy and accuracy of all estimates, projections, forecasts and other forward-looking information so furnished, and that the Purchaser will have no claim against the Company or any of its Subsidiaries, or any of their respective representatives, with respect thereto.

(i) No Other Company Representations or Warranties. Except for the representations and warranties expressly set forth in Section 2.2 or Section 2.4, and in any certificate delivered in connection with this Agreement, the Purchaser hereby acknowledges that neither the Company nor any of its Subsidiaries, nor any other Person, (i) has made or is making any other express or implied representation or warranty with respect to the Company, Tripadvisor or any of their respective Subsidiaries or their respective businesses, operations, assets, liabilities, condition (financial or otherwise) or prospects, including with respect to any information provided or made available to the Purchaser or any of its representatives or any information developed by the Purchaser or any of its representatives or (ii) will have or be subject to any liability or indemnification obligation to the Purchaser resulting from the delivery, dissemination or any other distribution to the Purchaser or any of its representatives, or the use by the Purchaser or any of its representatives, of any information, documents, estimates, projections, forecasts or other forward-looking information, business plans or other material developed by or provided or made available to the Purchaser or any of its representatives. The Purchaser, on behalf of itself and on behalf of its respective Affiliates, expressly waives any such claim relating to the foregoing matters, except with respect to intentional fraud.

(j) Independent Review. The Purchaser hereby acknowledges (for itself and on behalf of its Affiliates and representatives) that it has conducted, to its satisfaction, its own independent investigation with such investment, legal, tax, accounting and other advisers as it deemed necessary of the business, operations, assets and financial condition of the Company and its Subsidiaries and, in making its determination to proceed with the purchase and acquisition of the Purchased Shares, the Purchaser and its Affiliates and its representatives have relied exclusively on the results of their own independent investigation without reliance on any representation or warranty of the Company other than those contained in Section 2.2 of this Agreement or any advice from the Company.

(k) No Brokers. The Purchaser is not bound by or subject to any contract with any Person which will result in the Company being obligated to pay any finder's fees, brokerage or agent's commissions or other like payments in connection with the negotiations leading to this Agreement or the consummation of the transactions contemplated hereby.

2.4 Representations of GM. GM hereby represents and warrants to the Company and the Purchaser that:

(a) Authority. GM has power and authority to execute, deliver and perform this Agreement and to carry out the obligations hereunder. This Agreement has been duly and validly executed and delivered by GM and, assuming due authorization, execution and delivery by the Company and the Purchaser, constitutes a valid and binding obligation of GM enforceable against GM in accordance with its terms (except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar Laws of general applicability relating to or affecting creditors' rights or by general equity principles).

(b) Beneficial Ownership. GM is the beneficial owner of (i) no shares of Series A Common Stock and (ii) 4,644,098 shares of Series B Common Stock, in the case of clause (ii), free and clear of all security interests, claims, liens and encumbrances, other than in connection with Exempt Transfers.

SECTION 3. CONDITIONS TO CLOSING

(d) No Default Under Margin Loan. None of the Calculation Agent or the Administrative Agent (or any successor to either of the foregoing under the Margin Loan Agreement) or any Lender shall have exercised any right under the Margin Loan Agreement to transfer any Pledged Shares (as defined in the Margin Loan Agreement) in foreclosure.

3.2 Conditions of the Company's Obligations. The obligation of the Company to consummate the transactions contemplated by this Agreement is subject to the satisfaction of the following conditions, any of which may be waived in writing by the Company:

(a) No Judgments. No temporary or permanent Judgment shall have been enacted, promulgated, issued, entered, amended or enforced by any Governmental Authority nor shall any proceeding brought by a Governmental Authority seeking any of the foregoing be pending, or any applicable Law shall be in effect enjoining or otherwise prohibiting consummation of the transactions contemplated hereby.

(b) Representations and Warranties True and Correct. Each of the representations and warranties of the Purchaser contained in Section 2.3 of this Agreement shall be true and correct in all respects as of the date hereof and as of the Closing Date, with the same effect as if then made. The Purchaser shall have delivered a certificate to the Company, executed by the Purchaser or one or more duly authorized representatives thereof, as the case may be, as to the matters referred to in this Section 3.2(b) in respect of the Purchaser.

(c) Certificate of Designations. The Series A Certificate of Designations substantially in the form attached as Exhibit A hereto shall have been certified by the Delaware Secretary of State and a copy thereof delivered to the Purchaser; provided that if the Delaware Secretary of State is closed due to an extraordinary event (including relating to COVID-19), then the Series A Certificate of Designations, substantially in the form attached as Exhibit A hereto, shall be delivered to or positioned with the Delaware Secretary of State or a representative thereof or otherwise prepared by the Company for filing so that it can be subsequently filed, and deemed effective as of a date no later than the Closing Date, in accordance with the guidelines and procedures of the Delaware Secretary of State following the reopening of the Delaware Secretary of State after the extraordinary event has ended (such that the Certificate of Designations shall be deemed filed and effective as of a date no later than the Closing Date as if the Delaware Secretary of State had not been closed due to an extraordinary event notwithstanding that the administrative act of filing the Certificate of Designations on the applicable systems of the Delaware Secretary of State and the acceptance of such filing by the Delaware Secretary of State will not occur until the Delaware Secretary of State is reopened after the extraordinary event has ended) and a certified copy shall be obtained from the Delaware Secretary of State no later than as promptly as possible following the reopening of the Delaware Secretary of State after the extraordinary event has ended, and a copy thereof delivered to the Purchaser.

(d) Purchased Shares. The Purchaser shall have purchased and paid for in accordance with Section 2.1(c)(2) the Purchased Shares being purchased by it on such Closing Date.

SECTION 4. COVENANTS

4.1 Filings; Other Actions. The Purchaser, on the one hand, and the Company, on the other hand, will cooperate and consult with the other and use reasonable best efforts to prepare and file all necessary documentation, to effect all necessary applications, notices, petitions, filings and other documents, and to obtain all necessary permits, consents, orders, approvals and authorizations of, or any exemption by, all third parties and Governmental Authorities, and the expiration or termination of any applicable waiting period, necessary or advisable to consummate the transactions contemplated by this Agreement, and to perform the covenants contemplated by this Agreement. Each party shall execute and deliver both before and after the Closing such further certificates, agreements and other documents and take such other actions as the other parties may reasonably request to consummate or implement such transactions or to evidence such events or matters. Purchaser and the Company will have the right to review in advance, and to the extent practicable each will consult with the other, in each case subject to applicable laws relating to the exchange of information, all the information relating to such other party, and any of their respective Affiliates, which appears in any filing made with, or written materials submitted to, any third party or any Governmental Authority in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the parties hereto agrees to act reasonably and as promptly as practicable. Each party hereto agrees to keep the other party apprised of the status of matters referred to in this Section 4.1. The Purchaser shall promptly furnish the Company, and the Company shall promptly furnish the Purchaser, to the extent permitted by applicable law, with copies of written communications received by it or its Subsidiaries from, or delivered by any of the foregoing to, any Governmental Authority in respect of the transactions contemplated by this Agreement.

4.2 Certificate of Designations. Prior to the Closing, the Company shall file the Series A Certificate of Designations substantially in the form attached as Exhibit A hereto with the Delaware Secretary of State; provided that if the Delaware Secretary of State is closed due to an extraordinary event (including relating to COVID-19), then the Series A Certificate of Designations, substantially in the form attached as Exhibit A hereto, shall be delivered to or positioned with the Delaware Secretary of State or a representative thereof or otherwise prepared by the Company for filing, in each case in a manner reasonably acceptable to the Purchaser, so that it can be subsequently filed, and deemed effective as of a date no later than the Closing Date, in accordance with the guidelines and procedures of the Delaware Secretary of State following the reopening of the Delaware Secretary of State after the extraordinary event has ended (such that the Certificate of Designations shall be deemed filed and effective as of a date no later than the Closing Date as if the Delaware Secretary of State had not been closed due to an extraordinary event notwithstanding that the administrative act of filing the Certificate of Designations on the applicable systems of the Delaware Secretary of State and the acceptance of such filing by the Delaware Secretary of State will not occur until the Delaware Secretary of State is reopened after the extraordinary event has ended).

4.3 Confidentiality. Each party to this Agreement will hold, and will cause its respective Affiliates and their directors, officers, employees, agents, consultants and advisors to hold, in strict confidence, unless disclosure to a regulatory authority is necessary or appropriate in connection with any necessary regulatory approval or unless disclosure is required by judicial or administrative process or, in the written opinion of its counsel, by other requirement of law or the applicable requirements of any regulatory agency or relevant stock exchange, all non-public records, books, contracts, instruments, computer data and other data and information (collectively, "Confidential Information") concerning the other party hereto furnished to it by such other party or its representatives pursuant to this Agreement or otherwise to Purchaser in connection with Purchaser's ownership of the Purchased Shares (except to the extent that such information can be shown to have been (1) previously known by such party on a non-confidential basis, (2) in the public domain through no fault of such party or (3) later lawfully acquired from other sources by the party to which it was furnished), and neither party hereto shall release or disclose such Confidential Information to any other Person, except its auditors, attorneys, and financial advisors; provided, that Purchaser may disclose information as is customary for private equity firms relating to its investment in the Purchased Shares to its limited partners and prospective limited partners provided that such Persons are bound by customary confidentiality obligations.

4.4 Further Assurances. If, subsequent to the Closing Date, further documents are reasonably requested in order to carry out the provisions and purposes of this Agreement, the parties hereto shall execute and deliver such further documents.

4.5 Conduct of Business. From the date hereof until the earlier of the Closing and the termination of this Agreement, except as (i) contemplated by this Agreement or (ii) required by applicable Law, the Company shall not, and shall cause its Subsidiaries not to, (unless otherwise consented to by the Purchaser in writing):

- (vi) make any material change in the Company's or its Subsidiaries' financial accounting principles, except as required by changes in GAAP (or any interpretation thereof) or in applicable Law;

4.6 Transfer Restrictions.

- (a) Except as otherwise permitted in Section 4.6(b), the Purchaser will not Transfer any Purchased Shares or enter into any Contract agreeing to Transfer any Purchased Shares.
- (b) Notwithstanding Section 4.6(a), the Purchaser or any Permitted Transferee of the Purchaser shall be permitted to Transfer any portion or all of their Purchased Shares at any time under the following circumstances:
 - (1) Transfers pursuant to a merger, consolidation or other business combination where the Company is a constituent corporation;

(3) Transfers that have been approved by the Board of Directors, subject to such conditions as the Board of Directors reasonably determines; or

(4) in the event (i) the Purchased Shares have not been redeemed in full by the Company following the Mandatory Redemption Date or (ii) are made available for sale pursuant to Section 5(g) of the Certificate of Designations.

(c) Any attempted Transfer in violation of this Section 4.6 shall be null and void *ab initio*.

(d) On or prior to the date that any Person becomes a Permitted Transferee, such Permitted Transferee shall deliver to the Company a properly completed and executed Internal Revenue Service Form W-9 (or applicable successor form) providing the Permitted Transferee's taxpayer identification number and the requisite certification by the Permitted Transferee under penalties of perjury, or shall have delivered an applicable properly completed and executed Internal Revenue Service Form W-8 (or applicable successor form) attesting to such Permitted Transferee's tax status and the requisite certification by the Permitted Transferee under penalties of perjury; provided that, if the Permitted Transferee is disregarded for U.S. federal income tax purposes, the Permitted Transferee shall instead have delivered to the Company a properly completed and executed Internal Revenue Service Form W-9 (or applicable successor form) or an applicable Internal Revenue Service Form W-8 (or applicable successor form) properly referencing the Permitted Transferee and providing the relevant information of the Permitted Transferee's regarded owner for U.S. federal income tax purposes and the requisite certification by such regarded owner under penalties of perjury.

4.7 Board of Directors.

(a) Prior to the appointment of the Series A Preferred Threshold Director or the Series A Preferred Redemption Director in accordance with the Series A Certificate of Designations, (x) the Purchaser and (y) the Series A Preferred Threshold Director or the Series A Preferred Redemption Director, as applicable, must provide to the Company:

(i) all information reasonably requested by the Company that is required to be or is customarily disclosed for directors, candidates for directors and their respective Affiliates and representatives in a proxy statement or other filings in accordance with applicable Law, any stock exchange rules or listing standards or the Company's organizational documents or corporate governance guidelines, in each case, relating to the appointment of the Series A Preferred Threshold Director or the Series A Preferred Redemption Director, as applicable, as a director of the Company; and

(ii) all information reasonably requested by the Company in connection with assessing eligibility, independence and other criteria applicable to directors or satisfying compliance and legal or regulatory obligations, in each case, relating to the appointment of the Series A Preferred Threshold Director or the Series A Preferred Redemption Director, as applicable, as a director of the Company or the Company's operations in the ordinary course of business.

(b) Within a reasonable time prior to the filing with the SEC of its proxy statement or information statement with respect to each meeting of stockholders at which directors are to be elected, the Company shall, to the extent the Purchaser is entitled to appoint the Series A Preferred Threshold Director and/or the Series A Preferred Redemption Director in accordance with the Series A Certificate of Designations, provide the Purchaser with the opportunity to review and comment on the information contained in such proxy or information statement applicable to the Series A Preferred Threshold Director and/or Series A Preferred Redemption Director, as applicable.

(c) Each Person appointed as the Series A Preferred Threshold Director or the Series A Preferred Redemption Director shall be reasonably acceptable to the Company and otherwise meet the requirements set forth in the Company's corporate governance guidelines to serve as a director of the Company. The Company and the Purchaser agree and acknowledge that each of the senior managing directors of the Certares Management LLC as of the date hereof (each, "Certares Managing Director") is reasonably acceptable to the Company.

(d) The Company shall indemnify the Series A Preferred Threshold Director or Series A Preferred Redemption Director and provide such director with director and officer insurance to the same extent as it indemnifies and provides such insurance to other members of the Board, pursuant to the applicable governing documents of the Company, the DGCL or otherwise.

(e) As of the date hereof, the Company and the Purchaser agree and acknowledge that M. Gregory O'Hara shall be appointed as the Series A Preferred Threshold Director pursuant to the Series A Certificate of Designations. Mr. O'Hara may also be named Vice Chairman of the Board of Directors, at the election of Purchaser.

4.8 Preferred Contingent Matter. If and for so long as shares of Series A Preferred Stock having a liquidation value equal to the Threshold Amount remain outstanding, the Company shall not, without the prior written approval of the holders of at least a majority of the outstanding shares of Series A Preferred Stock, pay any dividend or distribution, in each case, in cash or in kind, on, or purchase or redeem, any Junior Stock or any Parity Stock, other than purchases, redemptions or other acquisitions of shares of Junior Stock in the ordinary course in connection with any employment contract, benefit plan or other similar arrangement approved by the Board of Directors with or for the benefit of employees, officers, directors or consultants, *provided* that no such purchase of Junior Stock from GM will be permitted other than in connection with net settling of options and repurchases of unvested restricted stock in accordance with the terms thereby. Notwithstanding the foregoing, the prohibition in this Section 4.8 shall cease to apply following (i) delivery of the Put Option Exercise Notice and (ii) the Purchaser ceasing to hold share of Series A Preferred Stock having a liquidation value equal to the Threshold Amount.

4.9 Purchaser Contingent Matters. If and for so long the Purchaser beneficially owns a number of shares of Preferred Stock with an aggregate Liquidation Price at least equal to the Threshold Amount, neither the Company nor any of its Subsidiaries shall take any of the following actions without the prior written approval of the holders of at least a majority of the outstanding shares of Series A Preferred Stock (and, with respect to subsection (d) below, the approval of the independent directors of the Board of Directors):

(a) The Company will not and the Company will not permit any of its Subsidiaries to incur any Indebtedness which ranks senior in right of payment to the Preferred Stock, except for:

(1) Increase in Indebtedness under the 2020 Confirmation as in effect as of the date hereof;

(2) Indebtedness incurred to fund the redemption, repurchase, retirement or other acquisition of any outstanding Series A Preferred Stock; and

(3) Indebtedness incurred to fund the working capital needs of the Company and/or its Subsidiaries as determined in good faith by the Company, including, but not limited to, Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar institution drawn against insufficient funds in the ordinary course of business; provided that the aggregate outstanding principal amount of Indebtedness (such outstanding amount measured solely when incurred, created or assumed) under this clause (3) shall not exceed \$25,000,000.

(b) Issue any Senior Stock or Parity Stock;

(c) Issue shares of the Series B Common Stock to any Person, other than to GM (and any GM Related Persons) or to the Purchaser or any Controlled Affiliate of the Purchaser;

(d) Enter into or consummate an Affiliate Transaction; or

(e) Transfer any of the Tripadvisor Common Stock or Class B Shares, except for (i) up to 2,422,210 shares of Tripadvisor Common Stock that are or may be pledged pursuant to the 2020 Confirmation, (ii) any Transfer to the extent incurred to fund the redemption, repurchase, retirement or other acquisition of any outstanding Series A Preferred Stock or (iii) pursuant to a TripAdvisor Transaction or Tripadvisor Change in Control.

4.10 Change in Control Transaction.

(a) If the Board of Directors approves the initiation of a sale process seeking a Change in Control Transaction or approves the entry by the Company into negotiations with a third party for a Change in Control Transaction (a "Sale Process") and at such time the Purchaser beneficially owns a number of shares of Preferred Stock with an aggregate Liquidation Price equal to at least the Threshold Amount:

(1) The Company shall (x) provide prompt notice (a "Sale Notice") to the Purchaser of its intent to initiate such Sale Process and (y) within a reasonable period of time, designate a nationally recognized investment bank to act as financial advisor to manage the Sale Process; *provided*, that such investment bank shall be reasonably acceptable to the Purchaser; and *provided, further* that if the Purchaser does not object in writing to the designation of such investment bank within five (5) Business Days following delivery of written notice thereof, such investment bank shall be deemed acceptable to the Purchaser;

(2) The Company shall provide to the Purchaser an opportunity to participate in the Sale Process as a prospective purchaser;

(3) If, pursuant to the Sale Process, the Company receives a bona fide written offer from a prospective purchaser for a Change in Control Transaction in which the stockholders of the Company and all holders of options, restricted stock units and other contingent equity in the Company would receive consideration in exchange therefor consisting at least 90% of cash in immediately available funds (a “CIC Cash Proposal”) that, the Board of Directors determines (after consultation with its outside legal counsel and its financial advisor), is reasonably likely to be consummated on the terms proposed, it shall (A) provide Purchaser with written notice thereof and the Purchaser will be entitled to engage (and if it so elects to engage, the Company shall so engage with Purchaser in good faith) for a period not less than five Business Days in private discussions with, and make private proposals to, the Board of Directors with respect to a Change in Control Transaction in which the stockholders of the Company and all holders of options, restricted stock units and other contingent equity in the Company would receive all cash consideration therefor in an amount (including the cash consideration for the non-cash portion of the consideration in the CIC Cash Proposal at the fair market value) no less than the CIC Cash Proposal and (B) in the event Purchaser agrees in writing to acquire the Company in a Change in Control Transaction in which the stockholders of the Company and all holders of options, restricted stock units and other contingent equity in the Company would receive all cash consideration therefor in an amount no less than the CIC Cash Proposal and otherwise on terms no less favorable than the CIC Cash Proposal in the aggregate (the “Matching Proposal”), then, subject to compliance by the Board of Directors with its fiduciary duties, the Company and the Purchaser shall use commercially reasonable efforts to consummate such Matching Proposal, subject to the Company’s right, in its sole discretion, to determine not to consummate any Change in Control Transaction at such time.

(4) Notwithstanding anything in this Section 4.10 or this Agreement to the contrary, the parties acknowledge and agree that this Section 4.10(a) does not apply to any Tripadvisor Transaction or Exempt Transfer.

(b) Series B Transfer. If (i) at any such time that the Purchaser beneficially owns a number of shares of Preferred Stock with an aggregate Liquidation Price equal to at least the Threshold Amount and (ii) GM receives a bona fide written proposal from a Person that is not a GM Related Party or otherwise a Controlled Affiliate of GM for the Transfer of any shares of Series B Common Stock (excluding any Exempt Transfer) and GM determines, in his sole discretion, to sell such shares of Series B Common Stock:

(1) GM shall provide Purchaser with written notice thereof; and

(2) If the consideration to be received by GM in proposed Transfer consists at least 90% of cash in exchange for the Series B Common Stock, then (A) Purchaser will be entitled to engage (and if it so elects to engage, GM shall so engage with Purchaser in good faith) for a period not less than five Business Days in private discussions with, and make private proposals to, GM with respect to a potential Transfer of Series B Common Stock to Purchaser or one or more of its Controlled Affiliates in which the GM would receive all cash consideration therefor in an amount (including the cash consideration for the non-cash portion of the consideration in the CIC Cash Proposal at the fair market value) no less than the original third-party proposal (the "Series B Matching Proposal") (B) in the event Purchaser agrees in writing to acquire all but not less than all of the Series B Common Stock proposed to be Transferred in a transaction in which GM would receive all cash consideration therefor in an amount no less than the original third-party proposal and otherwise on terms no less favorable than the third-party proposal in the aggregate (the "Series B Matching Proposal"), then, subject to compliance by GM with any duties, fiduciary or otherwise, arising out of his ownership of Series B Common Stock, GM and Purchaser shall use commercially reasonable efforts to consummate such Series B Matching Proposal, subject to GM's right in its sole discretion to determine not to Transfer (other than an Exempt Transfer) such Series B Common Stock at such time.

(3) Notwithstanding anything in this Section 4.10 or this Agreement to the contrary, the parties acknowledge and agree that this Section 4.10(b) does not apply to any Tripadvisor Transaction, Exempt Transfer or Transfers pursuant to a merger, consolidation or other business combination where the Company is a constituent corporation.

(c) Notwithstanding anything in this Section 4.10 or this Agreement to the contrary, the parties acknowledge and agree that the rights described in Section 4.10 do not (i) make the Purchaser the beneficial owner, directly or indirectly, of any securities of the Company or Tripadvisor, (ii) contemplate the offer, sale, issuance, acquisition, disposition, voting (or exercise of consensual rights) of (or with respect to) or continued ownership of any securities of the Company or Tripadvisor by the Purchaser, (iii) constitute any agreement, arrangement, or understanding in any respect for the purpose of acquiring, holding, voting or disposing of any securities of the Company or Tripadvisor by the Purchaser, or (iv) constitute or contemplate any joint, common or coordinated action by any party with respect to any securities of the Company or Tripadvisor (and such party maintains whatever individual rights such party may have with respect to the acquiring, holding, voting or disposing of any securities of the Company or Tripadvisor, as applicable).

4.11 Consultation Rights.

(a) If and only for so long as the Purchaser beneficially owns a number of shares of Series A Preferred Stock with an aggregate Liquidation Price equal to or in excess of the Threshold Amount:

(1) Promptly following the Company's receipt of notice from Tripadvisor that the Company is entitled to vote the shares of Company Tripadvisor Shares with respect to any matter ("Trip Voting Matter"), the Company shall (A) notify the Purchaser of such Trip Voting Matter, (B) consult with the Purchaser with respect to the Trip Voting Matter and (C) consider the views of the Purchaser in good faith in connection with exercising (or abstaining from) its right to vote the Company Tripadvisor Shares.

(2) Promptly following delivery by the Company of notice to its holders of Series B Common Stock that such holders are entitled to vote such shares of Series B Common Stock with respect to any matter (“Company Voting Matter”), (A) the Company shall notify the Purchaser of such Company Voting Matter and (B) GM shall (x) consult with the Purchaser with respect to the Company Voting Matter and (y) consider the views of the Purchaser in good faith in connection with exercising (or abstaining from) his right to vote the shares of Series B Common Stock owned beneficially and of record by GM in such Company Voting Matter.

(3) The Company shall in good faith provide a reasonable opportunity for the Purchaser to meet with (either in person, telephonically or by electronic means) the representatives of the Company as early as reasonably practicable prior to voting any Company Tripadvisor Shares with respect to any Trip Voting Matter.

(4) GM shall in good faith provide a reasonable opportunity for Purchaser to meet with (either in person, telephonically or by electronic means) the representatives of GM as early as reasonably practicable prior to voting Series B Common Stock with respect to any Company Voting Matter.

(b) Notwithstanding anything in this Section 4.11 or this Agreement to the contrary, the parties acknowledge and agree that the rights described in Section 4.11(a) are solely advisory in nature and do not (i) make the Purchaser the beneficial owner, directly or indirectly, of any securities of the Company or Tripadvisor, (ii) contemplate the offer, sale, issuance, acquisition, disposition, voting (or exercise of consensual rights) of (or with respect to) or continued ownership of any securities of the Company or Tripadvisor by the Purchaser, (iii) constitute any agreement, arrangement, or understanding in any respect for the purpose of acquiring, holding, voting or disposing of any securities of the Company or Tripadvisor by the Purchaser, or (iv) constitute or contemplate any joint, common or coordinated action by any party with respect to any securities of the Company or Tripadvisor (and such party maintains whatever individual rights such party may have with respect to the acquiring, holding, voting or disposing of any securities of the Company or Tripadvisor, as applicable).

4.12 Exchange Ratio. For so long the Purchaser beneficially owns a number of shares of Preferred Stock with an aggregate Liquidation Price at least equal to the Threshold Amount, connection with a Change in Control Transaction in which the holders of Common Stock are to be paid in Publicly Traded Securities, the applicable merger agreement or other agreement executed to effect such Change in Control Transaction will provide for merger consideration for the Series B Common Stock consisting of Publicly Traded Securities with an exchange ratio no greater than 110% than the merger consideration exchange ratio for the Series A Common Stock.

4.13 Tripadvisor Director.

(a) From the Closing Date until the earlier of (i) the date the Purchaser beneficially owns a number of shares of Preferred Stock with an aggregate Liquidation Price that is less than the Threshold Amount and (ii) the date the Company beneficially owns a number of Equity Securities (as defined in the Governance Agreement) that no longer entitles it to nominate a number of Liberty Directors (as defined in the Governance Agreement) equal to 20% of the total number of directors on Tripadvisor’s board of directors (the “Tripadvisor Board”) or no longer entitles the Company to nominate two or more Liberty Directors to the TripAdvisor Board in each case pursuant to the Governance Agreement (such period, the “Purchaser Designee Period”), the Company shall nominate one designee of the Purchaser’s choosing (the “Purchaser Designee”) as one of its Liberty Directors pursuant to the Governance Agreement.

(b) If the Purchaser Designee is not currently serving on the Tripadvisor Board, the Company will cause one of the Liberty Directors, in the Company's sole discretion, to resign and will designate the Purchaser Designee to fill such vacancy.

(c) During the Purchaser Designee Period, the Company shall vote (and cause its Subsidiaries to vote), or act by written consent, with respect to all Tripadvisor Common Stock and Class B Shares beneficially owned by it to approve and facilitate the election of the Purchaser Designee to the Tripadvisor Board.

(d) Prior to the nomination of the Purchaser Designee in accordance with the Governance Agreement, (x) the Purchaser and (y) the Purchaser Designee, must provide to the Company and Tripadvisor, as applicable:

(1) all information requested by the Company and/or Tripadvisor that is required to be or is customarily disclosed for directors, candidates for directors and their respective Affiliates and representatives in a proxy statement or other filings in accordance with applicable Law, any stock exchange rules or listing standards or Tripadvisor's organizational documents or corporate governance guidelines, in each case, relating to the nomination of the Purchaser Designee, as a Liberty Director; and

(2) all information requested by the Company and/or Tripadvisor in connection with assessing eligibility, independence and other criteria applicable to directors or satisfying compliance and legal or regulatory obligations, in each case, relating to the nomination of the Purchaser Designee as a Liberty Director or Tripadvisor's operations in the ordinary course of business.

(e) Prior to the filing with the SEC of Tripadvisor's proxy statement or information statement with respect to each meeting of stockholders at which directors are to be elected, the Company shall, to the extent it has received a copy of such document and the Purchaser is entitled to designate the Purchaser Designee, provide the Purchaser with the opportunity to review and comment on the information contained in such proxy or information statement applicable to the Purchaser Designee.

(f) Each Person designated as the Purchaser Designee shall be reasonably acceptable to the Company and otherwise meet the requirements set forth in Tripadvisor's corporate governance guidelines to serve as a director of Tripadvisor.

(g) As of the date hereof, the Company and the Purchaser agree and acknowledge that each of the Certares Managing Directors shall be reasonably acceptable to the Company and designated as the Purchaser Designee.

(h) The Company shall not consent to any amendment, waiver or other modification of the Governance Agreement the effect of which is to deprive the Purchaser of the right to nominate a Purchaser Designee.

4.14 Spinoff Exchange Offer.

(a) In the event that the Reference Company determines to engage in a Distribution Transaction which results in certain assets and businesses of the Reference Company being transferred to and owned by the Distributed Entity in a transaction that would be subject to an adjustment to the Conversion Rate pursuant to paragraph 9(a)(iii) of the Series A Certificate of Designations, then, by written action of the holders of a number of shares of Preferred Stock with an aggregate Liquidation Price equal to at 50% of the Liquidation Preference (the "Majority Holders") of the outstanding shares of Series A Preferred Stock, the Company will negotiate in good faith with such Majority Holders the terms and conditions of an exchange offer described herein (the "Spinoff Exchange Offer"), and in the event the Spinoff Exchange Offer is completed, then no adjustment to the Conversion Rate will be made pursuant to paragraph 9(a)(iii) of the Series A Certificate of Designations.

(b) In connection with the Spinoff Exchange Offer, each share of Series A Preferred Stock will be exchanged by the Company for one share of Mirror Preferred Stock and one share of Exchange Preferred Stock. The Liquidation Price of the Series A Preferred Stock will be allocated between the shares of Mirror Preferred Stock and Exchange Preferred Stock in accordance with the relative fair market values of the assets and businesses to be held by the Distributed Entity and the assets and businesses to be retained by the Reference Company, as determined in good faith by the Board of Directors after consultation with the Reference Company and the Majority Holders.

(c) The Company and the Majority Holders will negotiate reasonably and in good faith and each will use its reasonable best efforts to agree on mutually acceptable terms for the Spinoff Exchange Offer, including, without limitation, the certificate of designations with respect to the Mirror Preferred Stock and the certificate of designations with respect to the Exchange Preferred Stock, and such amendments to the terms of this Agreement as are reasonably necessary to reflect the fact that following the completion of the Spinoff Exchange Offer the adjustments to the Conversion Rate contemplated by the Series A Certificate of Designations will be based upon the common stock of the Reference Company and the common stock of the Distributed Entity, and that the rights, benefits, obligations and economic characteristics of the Series A Preferred Stock will not be expanded or diminished as a result of the exchange of shares of Series A Preferred Stock for shares of Mirror Preferred Stock and Exchange Preferred Stock. The exchange of Series A Preferred Stock in the Spinoff Exchange Offer shall be structured in a manner so as to qualify as a recapitalization within the meaning of Section 368(a) of the Code.

4.15 No Amendment to Spinoff Contracts.

Neither the Company nor GM may agree to any amendment, waiver or other modification to any Spinoff Contract unless such amendment, waiver or modification is approved in advance by a committee of independent directors of the Board of Directors and is consistent with the prior practice.

4.16 Legend.

(a) All certificates, statements or other instruments representing the Series A Preferred Stock will bear a legend substantially to the following effect (unless and until registered under the Securities Act of 1933, as amended):

THE SHARES OF 8% SERIES A CUMULATIVE REDEEMABLE PREFERRED STOCK OF THE CORPORATION (“SERIES A PREFERRED STOCK”) HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.

THE SHARES OF SERIES A PREFERRED STOCK ARE SUBJECT TO TRANSFER AND OTHER RESTRICTIONS AS SET FORTH IN THE CERTIFICATE OF DESIGNATIONS OF THE SERIES A PREFERRED STOCK (THE “CERTIFICATE OF DESIGNATIONS”) AND THE INVESTMENT AGREEMENT, DATED AS OF MARCH 15, BY THE ISSUER AND THE PURCHASER NAMED THEREIN (THE “INVESTMENT AGREEMENT”). AS SET FORTH THEREIN, SHARES OF SERIES A PREFERRED STOCK MAY NOT BE TRANSFERRED (AS DEFINED IN THE INVESTMENT AGREEMENT) TO ANY PERSON (AS DEFINED IN THE CERTIFICATE OF DESIGNATIONS), EXCEPT IN ACCORDANCE WITH THE TERMS OF THE INVESTMENT AGREEMENT. ANY ATTEMPTED TRANSFER IN VIOLATION OF SUCH RESTRICTIONS SHALL BE NULL AND VOID *AB INITIO*.

THE CERTIFICATE OF DESIGNATIONS AND THE INVESTMENT AGREEMENT ARE ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF THE CORPORATION AND, IN THE CASE OF THE CERTIFICATE OF DESIGNATIONS, WITH THE SECRETARY OF STATE OF THE STATE OF DELAWARE. A COPY OF THE CERTIFICATE OF DESIGNATIONS AND/OR THE INVESTMENT AGREEMENT WILL BE PROVIDED TO ANY STOCKHOLDER OF THE CORPORATION, UPON REQUEST, AND WITHOUT COST.

Any Payment Shares issued pursuant to paragraph three of the Series A Certificate of Designations will include the first paragraph of the above legend.

4.17 Tax Treatment. Notwithstanding Section 14(b) of the Certificate of Designation, for U.S. federal income tax purposes, the Company hereby agrees not to treat or report any dividends on the Series A Preferred Stock (including any dividends that are accrued and added to the Liquidation Price) as income or gain to the Purchaser in respect of the Series A Preferred Stock, unless and until any such amounts are paid in cash, property, stock or securities to the Purchaser, in each case except as otherwise required by (i) a change in law (including any interpretation by a Governmental Authority) or (ii) a final “determination” within the meaning of Section 1313 of the Code. For the avoidance of doubt, a dividend shall not be treated as paid for purposes of this Section 4.17 solely because such dividend has been accrued or added to the Liquidation Price.

SECTION 5. TERMINATION

5.1 Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing by the Company or the Purchaser, if (a) the Closing shall not have occurred before April 6, 2020 and (b) the failure of the Closing to occur is not caused by a breach of this Agreement by the party seeking to terminate this Agreement pursuant to this Section 5.1.

5.2 Effect of Termination. In the event of any termination of this Agreement pursuant to Section 5.1, this Agreement shall be terminated, and there shall be no further liability or obligation hereunder or thereunder on the part of any party hereto; provided, however, that nothing contained in this Agreement (including this Section 5.2) will relieve any party from liability for any breach of any of its representations, warranties, covenants or agreements set forth in this Agreement.

SECTION 6. MISCELLANEOUS

6.1 Survival. The representations and warranties of the Company and the Purchaser set forth in Sections 2.2(a), (b), (c), (d), and (e) and Sections 2.3(a), (b), (c), (d) and (e) hereunder shall survive the execution and delivery of this Agreement until the expiration of the applicable statute of limitations and the other representations and warranties set forth herein shall survive for a period of fifteen (15) months from the Closing Date. The covenants made in this Agreement or any other Transaction Document that by their terms are to be performed following the Closing shall survive the Closing and remain operative and in full force and effect until fully performed. Regardless of any purported general termination of this Agreement, the provisions of this Section 6 shall remain operative and in full force and effect as between the Company and the Purchaser, unless the Company and the Purchaser execute a writing that expressly terminates such rights and obligations as between the Company and the Purchaser

6.2 Notice. Any notice, request, claim, demand or other communication under this Agreement shall be in writing and shall be deemed given (a) on the date of delivery if delivered personally or sent via facsimile or e-mail or (b) on the first (1st) business day following the date of dispatch if sent by a nationally recognized overnight courier (providing proof of delivery), to the address for such party set forth below or such other address as the recipient party has specified by prior written notice to the other parties hereto and shall be deemed to have been given hereunder when receipt is acknowledged for personal delivery or facsimile transmission or one day after deposit with a reputable overnight courier service; *provided, that*, should any such delivery be made by facsimile or e-mail, the sender shall also send a copy of the information so delivered on or before the next business day by a nationally recognized overnight courier:

6.3 Governing Law; Consent to Jurisdiction. This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or related to this Agreement, or the negotiation or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law. Each of the parties hereto hereby irrevocably and unconditionally consents to submit to the exclusive jurisdiction of the courts of the State of Delaware for any action, suit, investigation or proceeding, governmental or otherwise (“Proceeding”) arising out of or relating to this Agreement and the transactions contemplated hereby and further agrees that service of any process, summons, notice or document by U.S. mail to its respective address set forth in this Agreement shall be effective service of process for any Proceeding brought against it in any such court. Each of the parties hereto hereby irrevocably and unconditionally waives any objection to the laying of venue of any Proceeding arising out of this Agreement or the transactions contemplated hereby in the courts of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding brought in any such court has been brought in an inconvenient forum. Each of the parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any Proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

6.4 Successors and Assigns. Except as otherwise provided herein, neither this Agreement nor any of the rights or obligations under this Agreement shall be assigned, in whole or in part (except by operation of law pursuant to a merger whose purpose is not to avoid the provisions of this Agreement), by any party without the prior written consent of the other parties hereto, except that upon prior notice to the Company, the Purchaser may assign all but not less than all of its rights and obligations under this Agreement to a Controlled Affiliate so long as the Purchaser is not relieved of its obligations hereunder as a result of such assignment. Subject to the foregoing and except as provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the parties hereto and their respective permitted successors and assigns.

6.5 Counterparts. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which taken together shall constitute one and the same agreement.

6.6 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

6.7 Remedies.

(a) Each party hereto acknowledges that money damages would not be an adequate remedy in the event that any of the covenants or agreements in this Agreement are not performed in accordance with its terms, and it is therefore agreed that in addition to and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically the terms and provisions hereof.

(b) All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

6.8 Entire Agreement. This Agreement embodies the complete agreement and understanding among the parties hereto with respect to the subject matter hereof or thereof and supersede and preempt any prior understandings, agreements or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

6.9 Amendment; Waiver. This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving.

6.10 Interpretation. The table of contents and headings contained in this Agreement are for convenience only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

6.11 Expenses. Each of the parties will bear and pay all other costs and expenses incurred by it or on its behalf in connection with the transactions contemplated pursuant to this Agreement unless otherwise provided herein.

6.12 Non-Recourse. This Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement may only be made against the entities that are expressly identified as parties hereto, including entities that become parties hereto after the date hereof or that agree in writing for the benefit of the Company to be bound by the terms of this Agreement applicable to the Purchaser, and no former, current or future equityholders, controlling persons, directors, officers, employees, agents or Affiliates of any party hereto or any former, current or future equityholder, controlling person, director, officer, employee, general or limited partner, member, manager, advisor, agent or Affiliate of any of the foregoing (each, a “Non-Recourse Party”) shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, the transactions contemplated hereby or in respect of any representations made or alleged to be made in connection herewith. Without limiting the rights of any party against the other parties hereto, in no event shall any party or any of its Affiliates seek to enforce this Agreement against, make any claims for breach of this Agreement against, or seek to recover monetary damages from, any Non-Recourse Party.

6.13 Purchaser Representative. By execution hereof, the Purchaser (and each Person listed in Schedule I hereto) appoints Certares Holdings LLC (the “Purchaser Representative”) to act as its agent and representative for and on its behalf regarding any matter under this Agreement or otherwise relating to the transactions contemplated hereby, including, but not limited to, Sections 4.10, 4.11, 4.13 and 5.1. Purchaser shall provide the Company with a notice prior to replacing the existing Purchaser Representative, and effective upon such notice, the replacement Purchaser Representative constitutes the Purchaser Representative hereunder; provided, that such replacement shall be a Controlled Affiliate of Purchaser. For the avoidance of doubt, the Purchaser Representative is exclusively authorized and empowered to exercise any rights or remedies of Purchaser hereunder.

FORM OF REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (as amended from time to time, this “**Agreement**”) is dated as of March ____, 2020, and is between Liberty TripAdvisor Holdings, Inc. (the “**Company**”), and Certares Holdings LLC, Certares Holdings (Blockable) LLC and Certares Holdings (Optional) LLC, (the “**Shareholders**”, and individually, a “**Shareholder**”). References to Shareholders also include transferees to whom a Shareholder (or its direct or indirect transferee) transfers shares (other than pursuant to an effective shelf registration hereunder) and related rights under this Agreement in accordance with **Section 6.1** of this Agreement

ARTICLE I**DEFINITIONS**

In this Agreement:

“**Exchange Act**” means the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

“**Securities Act**” means the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

“**shares**” means the shares of Series A preferred stock, par value \$0.01 per share, of the Company (the “**Preferred Shares**”), to be acquired by the Shareholders pursuant to the Investment Agreement, dated March 15, 2020, between the Company and the Shareholders (the “**Investment Agreement**”), together with any shares of Series A Common Stock, par value \$0.01 per share, of the Company, and any shares of Series C Common Stock, par value \$0.01 per share, of the Company, received by the Shareholders pursuant to the terms of the Preferred Stock (the “**Common Shares**”), or any securities of the Company into which such shares are converted or for which the shares are exchanged. Any such shares held by or on behalf of a Shareholder which are not subject to a Securities Act restrictive legend, which shares may be resold freely without registration under the Securities Act and without limitation on volume or manner of sale, will not be considered shares for purposes of the demand and piggyback provisions of this Agreement, *provided* that, notwithstanding the absence of any such legend, shares held by any Shareholder that, together with its affiliates, is required to file or to be named in a report on Schedule 13D or 13G under the Exchange Act shall continue to be treated as shares for purposes of this Agreement.

“**WKSI**” means a well-known seasoned issuer, as defined in the SEC’s Rule 405.

All other capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Certificate of Designations of 8% Series A Cumulative Redeemable Preferred Stock of the Company (the “**Certificate**”) or the Investment Agreement.

ARTICLE II

DEMAND AND PIGGYBACK RIGHTS

2.1 **Right to be Included in a Shelf Registration.** Upon (x) the demand of the Shareholders made at any time and from time to time when the Company is eligible to sell shares in a secondary offering on a delayed or continuous basis in accordance with Rule 415 or (y) the Company's determination to issue Common Shares to the Shareholders under the Certificate, the Company will facilitate in the manner described in this Agreement a shelf registration of shares held by the Shareholders. Any shelf registration statement filed by the Company covering shares (whether pursuant to a Shareholder demand or at the initiative of the Company) will cover shares held by each of the Shareholders up to the highest amount of their respective holdings at such time as they may request (which, for the avoidance of doubt, shall include the total number of Common Shares to be issued to such Shareholders under the Certificate at the applicable time). If at the time of such request the Company is a WKSI, such shelf registration statement would, at the request of the Shareholders, cover an unspecified number of shares to be sold by such Shareholders and such shelf registration statement may, at the request of the Company, cover an unspecified number of shares to be sold by the Company. Notwithstanding the foregoing, (a) no shelf registration shall be fileable with respect to any Preferred Shares unless and until (x) a Put Option Exercise Notice is properly delivered to the Company, and/or (y) the Preferred Shares have not been redeemed in full by the Company following the Mandatory Redemption Date, and (b) no shelf registration shall be fileable with respect to any Common Shares unless and until such shares are issued pursuant to the terms of the Certificate, *provided* that in no event will the Company issue Common Shares under the Certificate unless such shares will be immediately saleable under an effective registration statement.

2.2 **Demand and Piggyback Rights for Shelf Takedowns.** Upon the demand of any Shareholder made at any time and from time to time (but subject to the limitations set forth in Section 2.1), the Company will facilitate in the manner described in this Agreement a "takedown" off of an effective shelf registration statement of shares held by such Shareholder that are registered on such shelf. In connection with any shelf takedown (whether pursuant to the exercise of such demand rights or at the initiative of the Company), the Shareholders may exercise piggyback rights to have included in such takedown shares held by them that are registered on such shelf. Any demanded "takedown" of shares off of an effective WKSI shelf registration statement may, at the Company's option, include shares to be sold by the Company for its own account.

2.3 **Right to Reload a Shelf.** [intentionally omitted]

2.4 **Limitations on Demand and Piggyback Rights.**

(a) The number of occasions on which any Shareholder shall be entitled to demand a shelf takedown shall be limited to no more than four, and no single demand by a Shareholder shall cover an amount of shares valued at less than \$15,000,000 (as determined in the good faith judgment the Company).

(b) Any demand for the filing of a registration statement or for a registered offering or takedown will be subject to the constraints of any applicable lockup arrangements, and such demand must be deferred until such lockup arrangements expire, are waived or otherwise no longer apply. If a demand has been made for a shelf takedown, no further demands may be made so long as the related offering is still being pursued. Notwithstanding anything in this Agreement to the contrary, the Shareholders will not have piggyback or other registration rights with respect to registered primary offerings by the Company (i) covered by a Form S-8 registration statement or a successor form applicable to employee benefit-related offers and sales or any registration statement filed solely to cover issuances pursuant to a dividend reinvestment plan, (ii) where the shares are not being sold for cash, (iii) pursuant to a Registration Statement on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto) or (iv) where the offering is a bona fide offering of securities other than shares, even if such securities are convertible into or exchangeable or exercisable for shares that are registered as part of such offering.

(c) The Company may postpone the filing of a demanded registration statement or suspend the effectiveness of any shelf registration statement, or defer initiating the process for a demanded shelf takedown, for a reasonable "blackout period" not in excess of the applicable limits specified below if the board of directors of the Company reasonably determines that such registration or offering or takedown could materially interfere with a bona fide business or financing transaction of the Company or is reasonably likely to require premature disclosure of information, the premature disclosure of which could materially and adversely affect the Company. The blackout period will end upon the earlier to occur of, (i) in the case of a bona fide business or financing transaction, a date not later than 90 days from the date such deferral commenced, and (ii) in the case of disclosure of non-public information, the earlier to occur of (x) the filing by the Company of its next succeeding Form 10-K or Form 10-Q, or (y) the date upon which such information otherwise becomes public knowledge.

ARTICLE III

PROCEDURES REGARDING DEMANDS AND PIGGYBACKS

3.1 **Notifications Regarding Registration Statements**. In order for any Shareholder to exercise its right to demand that a registration statement be filed or that an underwritten takedown occur (whether or not other Shareholders are exercising their rights), it must so notify the Company in writing indicating the number of shares sought to be registered or taken down and the proposed plan of distribution, and such exercise must comply with the requirements for demand set forth in Article II. The Company will keep the Shareholders contemporaneously apprised of all pertinent aspects of any registration or underwritten shelf takedown of shares, as the case may be, whether pursuant to a Shareholder demand or otherwise, with respect to which a piggyback opportunity is available, including the anticipated timing of the filing of a registration statement or amendment and the finalization of related preliminary and final prospectuses and the timing of pricing. Pending any required public disclosure and subject to applicable legal requirements, the parties will maintain the confidentiality of these discussions and notifications.

3.2 **Notifications Regarding Registration Piggyback Rights.** No notice is required in connection with a shelf registration statement, as shares held by all Shareholders will be included up to the applicable percentage.

3.3 **Notifications Regarding Demanded Underwritten Takedowns.**

(a) The Company will keep the Shareholders contemporaneously apprised of all pertinent aspects of any underwritten shelf takedown in order that they may have a reasonable opportunity to exercise their related piggyback rights. Without limiting the Company's obligation as described in the preceding sentence, having a reasonable opportunity requires that the Shareholders be notified by the Company of an anticipated takedown (whether pursuant to a demand made by a Shareholder or made at the Company's own initiative) no later than 5:00 pm, New York City time, on (i) if applicable, the second trading day prior to the date on which the preliminary prospectus or prospectus supplement intended to be used in connection with pre-pricing marketing efforts for such takedown is finalized, and (ii) in all cases, the second trading day prior to the date on which the pricing of the relevant takedown occurs. The Company shall not be required to effect more than one underwritten shelf takedown during any 180 day period.

(b) Any Shareholder wishing to exercise its piggyback rights with respect to a shelf takedown must notify the Company and the other Shareholders of the number of shares it seeks to have included in such takedown. Such notice must be given as soon as practicable, but in no event later than 5:00 pm, New York City time, on (i) if applicable, the first trading day prior to the date on which the preliminary prospectus or prospectus supplement intended to be used in connection with marketing efforts for the relevant offering is expected to be finalized, and (ii) in all cases, the first trading day prior to the date on which the pricing of the relevant takedown occurs.

(c) Pending any required public disclosure and subject to applicable legal requirements, the parties will maintain appropriate confidentiality of their discussions regarding a prospective takedown.

3.4 **Plan of Distribution, Underwriters, Advisors and Counsel.** If a majority of the shares proposed to be sold in an underwritten offering through a shelf takedown is being sold by the Company for its own account, the Company will be entitled to determine the plan of distribution and select the managing underwriters for such offering, which managing underwriters shall be reasonably acceptable to the Shareholders. Otherwise, Shareholders holding a majority of the shares requested to be included in such offering will be entitled to determine the plan of distribution and select the managing underwriters, which may include affiliates of the Shareholders, and such Shareholders will also be entitled to select a common counsel for the selling Shareholders (which may be the same as counsel for the Company).

3.5 **Cutbacks.** If the managing underwriters advise the Company and the selling Shareholders that, in their opinion, the number of shares requested to be included in an underwritten offering exceeds the amount that can be sold in such offering without adversely affecting the distribution of the shares being offered, such offering will include only the number of shares that the underwriters advise can be sold in such offering without such adverse effect. The selling Shareholders and the Company, to the extent it is selling shares in the offering, will be subject to cutback pro rata based on the respective number of shares initially requested by them to be included in such offering, without regard to who initiated or otherwise made the demand for such offering

Except as contemplated by **Section 6.1(b)**, shares held by other selling holders who are not Shareholders will be included in an underwritten offering only with the consent of Shareholders holding a majority of the shares being sold in such offering, or, if in connection with a demanded offering (pursuant to **Section 2.2**), the demanding Shareholder.

3.6 **Withdrawals.** Even if shares held by a Shareholder have been part of a registered underwritten offering, such Shareholder may, no later than the time at which the public offering price and underwriters' discount are determined with the managing underwriter, decline to sell all or any portion of the shares being offered for its account; provided that such Shareholder shall still be deemed to have an exercised a demand in connection with such underwritten offering.

3.7 **Lockups.** In connection with any underwritten offering of shares, the Company and each Shareholder will agree (in the case of Shareholders, with respect to shares respectively held by them) to be bound by the underwriting agreement's lockup restrictions (which must apply in like manner to all of them) that are agreed to (a) by the Company, if a majority of the shares being sold in such offering are being sold for its account, and (b) by Shareholders holding a majority of shares being sold by all Shareholders, if a majority of the shares being sold in such offering are being sold by Shareholders. Pending execution and delivery of the relevant underwriting agreement, upon being notified of a proposed or requested underwritten offering with respect to which the piggyback rights described in this Agreement will apply, the Shareholders will immediately be bound by the lockup provisions set forth in the underwriting agreement. The lockup restrictions in any such underwriting agreement will be for a customary period specified by the managing underwriters or underwriters not to exceed 90 days following the pricing of any registered public sale of shares by the Company. The Company shall use commercially reasonable efforts to cause its executive officers and directors to enter into lockup agreements that contain restrictions that are no less restrictive than the restrictions contained in the lockup agreements executed by the Shareholders; provided, that (i) the executive officers and directors will not be required or expected to execute lockup agreements covering more than 90 consecutive days in any 180 day period and there must be at least 30 "clear days" following the expiration of a lockup agreement during which the executive officers may trade in the shares prior to execution of a subsequent lockup agreement, and (ii) the lockup agreements shall include exceptions for customary estate planning transactions.

3.8 **Expenses.** All expenses incurred in connection with any registration statement or registered offering covering shares held by Shareholders, including, without limitation, all registration and filing fees, printing expenses, fees and disbursements of counsel (including the fees and disbursements of a single outside counsel firm for Shareholders), and of the independent certified public accountants, the expense of qualifying such shares under state blue sky laws and any expenses relating to analyst and investor presentations or any "road show" (other than those borne by the underwriters), and all internal expenses of the Company, including the compensation of officers and employees of the Company, will be borne by the Company, but any internal expenses of a Shareholder will be borne by such Shareholder. However, underwriters', brokers' and dealers' discounts and commissions applicable to shares sold for the account of a Shareholder will be borne by such Shareholder.

ARTICLE IV

FACILITATING REGISTRATIONS AND OFFERINGS

4.1 **General.** If the Company becomes obligated under this Agreement to facilitate a registration and offering of shares on behalf of one or more Shareholders, the Company will do so with the same degree of care and dispatch as would reasonably be expected in the case of a registration and offering by the Company of shares for its own account. Without limiting this general obligation, the Company will fulfill its specific obligations as described in this **Article IV**.

4.2 **Registration Statements.** In connection with each registration statement that is demanded by any Shareholder or as to which piggyback rights otherwise apply, the Company will:

(a) (i) prepare and file with the SEC a registration statement covering the applicable shares, (ii) file amendments thereto as warranted, (iii) seek the effectiveness thereof, and (iv) file with the SEC prospectuses and prospectus supplements as may be required, all in consultation with the Shareholders and as reasonably necessary in order to permit the offer and sale of the such shares in accordance with the applicable plan of distribution;

(b) (i) within a reasonable time prior to the filing of any registration statement, any prospectus, any amendment to a registration statement, amendment or supplement to a prospectus or any free writing prospectus, provide copies of such documents to the selling Shareholders and to the underwriter or underwriters of an underwritten offering, if applicable, and to their respective counsel; fairly consider such reasonable changes in any such documents prior to or after the filing thereof as the counsel to the Shareholders or the underwriter or the underwriters may request; and make such of the representatives of the Company as shall be reasonably requested by the selling Shareholders or any underwriter available for discussion of such documents; and

(ii) within a reasonable time prior to the filing of any document which is to be incorporated or deemed incorporated by reference into a registration statement or a prospectus, provide copies of such document to counsel for the Shareholders and underwriters; fairly consider such reasonable changes in such document prior to or after the filing thereof as counsel for such Shareholders or such underwriter shall request; and make such of the representatives of the Company as shall be reasonably requested by such counsel available for discussion of such document;

(c) use all reasonable efforts to cause each registration statement and the related prospectus and any amendment or supplement thereto, as of the effective date of such registration statement, amendment or supplement and during the distribution of the registered shares (x) to comply in all material respects with the requirements of the Securities Act and the rules and regulations of the SEC and (y) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading;

(d) notify each Shareholder promptly, its respective counsel and the managing underwriter or underwriters and, if requested by such Shareholder, confirm such notification in writing, (i) when any registration statement, any prospectus, any amendment to a registration statement, amendment or supplement to a prospectus or any free writing prospectus has been filed, when a registration statement has become effective and when any post-effective amendments and supplements thereto become effective if such registration statement or post-effective amendment is not automatically effective upon filing pursuant to Rule 462, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a registration statement or related prospectus or for additional information, (iii) of the issuance by the SEC or any state securities authority of any stop order, injunction or other order or requirement suspending the effectiveness of a registration statement or the initiation of any proceedings for that purpose, (iv) if, between the effective date of a registration statement and the expiration or earlier closing of any sale of securities covered thereby pursuant to any over-allotment option under any underwriting, placement or similar purchase agreement to which the Company is a party, the representations and warranties of the Company contained in such agreement cease to be true and correct in all material respects or if the Company receives any notification with respect to the suspension of the qualification of the shares for sale in any jurisdiction or the initiation of any proceeding for such purpose, and (v) of the happening of any event during the period a registration statement is effective as a result of which such registration statement or the related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading;

(e) promptly furnish counsel for each underwriter, if any, and for the Shareholders copies of any correspondence with the SEC or any state securities authority relating to the registration statement or prospectus (for the avoidance of doubt, including, but not limited to, any comment letters received from the SEC or any state securities authority);

(f) otherwise use all reasonable efforts to comply with all applicable rules and regulations of the SEC, including making available to its security holders an earnings statement covering at least 12 months which shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar provision then in force);

(g) use all reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a registration statement at the earliest possible time; and

(h) provide and cause to be maintained a transfer agent and registrar for all shares covered by a registration statement from and after a date no later than the effective date of such registration statement.

4.3 **Shelf Takedowns.** In connection with any shelf takedown that is demanded by any Shareholder or as to which piggyback rights otherwise apply, the Company will:

(a) cooperate with the selling Shareholders shares and the sole underwriter or managing underwriter of an underwritten offering shares, if any, to facilitate the timely preparation and delivery of certificates representing the shares to be sold and not bearing any restrictive legends; and enable such shares to be in such denominations (consistent with the provisions of the governing documents thereof) and registered in such names as the selling Shareholders or the sole underwriter or managing underwriter of an underwritten offering of shares, if any, may reasonably request at least two Business Days prior to any sale of such shares;

(b) furnish to each Shareholder and to each underwriter, if any, participating in the relevant offering, without charge, as many copies of the applicable prospectus, including each preliminary prospectus, and any amendment or supplement thereto and such other documents as such Shareholder or underwriter may reasonably request in order to facilitate the public sale or other disposition of the shares; the Company hereby consents to the use of the prospectus, including each preliminary prospectus, by each such Shareholder and underwriter in connection with the offering and sale of the shares covered by the prospectus or the preliminary prospectus;

(c) (i) use all reasonable efforts to register or qualify the shares being offered and sold, no later than the time of pricing of the applicable offering, under all applicable state securities or "blue sky" laws of such jurisdictions as each underwriter, if any, or any Shareholder holding shares covered by a registration statement, shall reasonably request; (ii) use all reasonable efforts to keep each such registration or qualification effective during the distribution of the registered shares; and (iii) do any and all other acts and things which may be reasonably necessary or advisable to enable each such underwriter, if any, and Shareholder to consummate the disposition in each such jurisdiction of such shares owned by such Shareholder; *provided, however*, that the Company shall not be obligated to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to consent to be subject to general service of process (other than service of process in connection with such registration or qualification or any sale of shares in connection therewith) in any such jurisdiction;

(d) cause all shares being sold to be qualified for inclusion in or listed on any securities exchange on which shares issued by the Company are then so qualified or listed if so requested by the Shareholders, or if so requested by the underwriter or underwriters of an underwritten offering of shares, if any;

(e) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter in an underwritten offering;

(f) use all reasonable efforts to facilitate the distribution and sale of any shares to be offered pursuant to this Agreement, including without limitation by making road show presentations, holding meetings with and making calls to potential investors and taking such other actions as shall be requested by the Shareholders or the lead managing underwriter of an underwritten offering;

(g) [intentionally omitted];

(h) enter into customary agreements (including, in the case of an underwritten offering, one or more underwriting agreements in customary form, and including provisions with respect to indemnification and contribution in customary form and consistent with the provisions relating to indemnification and contribution contained herein) and take all other customary and appropriate actions in order to expedite or facilitate the disposition of such shares and in connection therewith:

1. make such representations and warranties to the selling Shareholders and the underwriters, if any, in form, substance and scope as are customarily made by issuers to underwriters in similar underwritten offerings;
2. obtain opinions of counsel to the Company and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the lead managing underwriter, if any) addressed to the underwriters, if any (and if so requested, to each selling Shareholder), covering the matters customarily covered in opinions requested in sales of securities or underwritten offerings and such other matters as may be reasonably requested by such Shareholders and underwriters;
3. obtain “cold comfort” letters and updates thereof from the Company’s independent certified public accountants addressed to the underwriters, if any (and if so requested, to each selling Shareholder), which letters shall be customary in form and shall cover matters of the type customarily covered in “cold comfort” letters to underwriters in connection with primary underwritten offerings;
4. to the extent requested and customary for the relevant transaction, enter into a securities sales agreement with the Shareholders providing for, among other things, the appointment of such representative as agent for the selling Shareholders for the purpose of soliciting purchases of shares, which agreement shall be customary in form, substance and scope and shall contain customary representations, warranties and covenants; and
5. deliver such documents and certificates as the sole underwriter or managing underwriter, if any, any selling Shareholder, or their respective counsel, shall reasonably request to evidence the continued validity of the representations and warranties made in accordance with Section 4.3(h)(1) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company;

(i) if required by the Company’s transfer agent for the shares (the “**Transfer Agent**”) and/or The Depository Trust Company (“**DTC**”), the Company will use reasonable efforts to cause opinions of counsel to be delivered to and maintained with the Transfer Agent and/or DTC, together with any other agreements, authorizations, certificates and directions required by the Transfer Agent and/or DTC which authorize and direct the Transfer Agent to transfer shares without any restrictive legend and which allow DTC to accept such shares for settlement; and

(j) use all reasonable efforts to facilitate the settlement of the shares to be sold pursuant to this Agreement, including through the facilities of DTC.

The above shall be done at such times as customarily occur in similar registered offerings or shelf takedowns.

4.4 Due Diligence. In connection with each registration and offering of shares to be sold by Shareholders, the Company will, in accordance with customary practice, make available for inspection by representatives of the Shareholders and underwriters and any counsel or accountant retained by such Shareholder or underwriters all relevant financial and other records, pertinent corporate documents and properties of the Company and cause appropriate officers, managers, employees, outside counsel and accountants of the Company to supply all information reasonably requested by any such representative, underwriter, counsel or accountant in connection with their due diligence exercise, including through in-person meetings, but subject to customary privilege constraints.

4.5 Information from Shareholders. Each Shareholder that holds shares covered by any registration statement will furnish to the Company such information regarding itself as is required by applicable law to be included in the registration statement, including the ownership of shares by such Shareholder and the proposed distribution by such Shareholder of such shares, as the Company may from time to time reasonably request in writing.

ARTICLE V

INDEMNIFICATION

5.1 Indemnification by the Company. In the event of any registration under the Securities Act by any registration statement pursuant to rights granted in this Agreement of shares held by Shareholders, the Company will indemnify and hold harmless Shareholders, their officers, directors and affiliates (and the officers, directors, employees, general and limited partners, Affiliates and controlling persons of any of the foregoing), and each underwriter of such securities and each other person, if any, who controls any Shareholder or such underwriter within the meaning of the Securities Act, against any losses, claims, damages, expenses, judgments or liabilities (including, without limitation, legal fees and costs of court), joint or several, to which Shareholders or such underwriter or controlling person may become subject under the Securities Act, common law or otherwise, including any amount paid in settlement of any litigation commenced or threatened, and shall promptly reimburse such persons, as and when incurred, for any legal or other expenses reasonably incurred by them in connection with investigating any claims and defending any actions, insofar as such losses, claims, damages, or liabilities (or any actions in respect thereof) arise out of or are based upon any violation or alleged violation by the Company of the Securities Act, any blue sky laws, securities laws or other applicable laws or rules of any state or country in which such shares are offered and relating to action taken or action or inaction required of the Company in connection with such offering, or arise out of or are based upon any untrue statement or alleged untrue statement of any material fact (i) contained in any registration statement under which such securities were registered under the Securities Act or any amendment or supplement to any of the foregoing, or in any document incorporated by reference therein or related document or report, or any issuer free writing prospectus (including any "road show," whether or not required to be filed with the SEC), or which arise out of or are based upon the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) contained in any preliminary prospectus, if used prior to the effective date of such registration statement, or in the final prospectus (as amended or supplemented if the Company shall have filed with the SEC any amendment or supplement to the final prospectus), or which arise out of or are based upon the omission or alleged omission (if so used) to state a material fact required to be stated in such prospectus or necessary to make the statements in such prospectus not misleading; and will reimburse Shareholders and each such underwriter and each such controlling person for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, or liability; *provided, however*, that the Company shall not be liable to any Shareholder or its underwriters or controlling persons in any such case to the extent that any such loss, claim, damage, or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement or such amendment or supplement or other document, in reliance upon and in conformity with information furnished to the Company in writing by Shareholders or such underwriter (or their respective counsel) specifically for use in the preparation of the information with respect to such Shareholder or such underwriter required under Items 403 and 507 of Regulation S-K under the Securities Act.

5.2 **Indemnification by Shareholders**. Each Shareholder (as to itself, severally and not jointly) will indemnify and hold harmless (in the same manner and to the same extent as set forth in **Section 5.1**) the Company, each director of the Company, each officer of the Company who shall sign the registration statement, and any person who controls the Company within the meaning of the Securities Act, (i) with respect to any untrue statement or alleged untrue statement in or omission or alleged omission from such registration statement, or any amendment or supplement to it, or any issuer free writing prospectus or other document, to the extent, but only to the extent, that such untrue statement or omission was made in reliance upon and in conformity with information furnished to the Company in writing by such Shareholder (or its counsel) specifically regarding such Shareholder for use in the preparation of the information with respect to such Shareholder required under Items 403 and 507 of Regulation S-K under the Securities Act, and (ii) with respect to compliance by such Shareholder with applicable laws in effecting the sale or other disposition of the securities covered by such registration statement; *provided* that the liability of each Shareholder pursuant to this **Section 5.2** shall not exceed the amount by which the total price at which the shares were offered to the public by such Shareholder exceeds the amount of any damages which such Shareholder has otherwise been required to pay by reason of an untrue statement or omission.

5.3 **Indemnification Procedures.** Promptly after receipt by an indemnified party of notice of the commencement of any action involving a claim referred to in the preceding Sections of this **Article V**, the indemnified party will, if a resulting claim is to be made or may be made against any indemnifying party, give written notice to the indemnifying party of the commencement of the action. The failure of any indemnified party to give notice shall not relieve the indemnifying party of its obligations in this **Article V**, except to the extent that the indemnifying party is actually and materially prejudiced by the failure to give notice. If any such action is brought against an indemnified party, the indemnifying party will be entitled to participate in and to assume the defense of the action with counsel reasonably satisfactory to the indemnified party, and after notice from the indemnifying party to such indemnified party of its election to assume defense of the action, the indemnifying party will not be liable to such indemnified party for any legal or other expenses incurred by the latter in connection with the action's defense. An indemnified party shall have the right to employ separate counsel in any action or proceeding and participate in the defense thereof, but the fees and expenses of such counsel shall be at such indemnified party's expense unless the employment of such counsel has been specifically authorized in writing by the indemnifying party, which authorization shall not be unreasonably withheld, (ii) the indemnifying party has not assumed the defense and employed counsel reasonably satisfactory to the indemnified party within 30 days after notice of any such action or proceeding, or (iii) the named parties to any such action or proceeding (including any impleaded parties) include the indemnified party and the indemnifying party and the indemnified party shall have been advised by such counsel that there may be one or more legal defenses available to the indemnified party that are different from or additional to those available to the indemnifying party (in which case the indemnifying party shall not have the right to assume the defense of such action or proceeding on behalf of the indemnified party), it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to all local counsel which is necessary, in the good faith opinion of both counsel for the indemnifying party and counsel for the indemnified party in order to adequately represent the indemnified parties) for the indemnified party and that all such fees and expenses shall be reimbursed as they are incurred upon written request and presentation of invoices. Whether or not a defense is assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld). No indemnifying party will consent to entry of any judgment or enter into any settlement which (i) does not include as an unconditional term the giving by the claimant or plaintiff, to the indemnified party, of a release from all liability in respect of such claim or litigation or (ii) involves the imposition of equitable remedies or the imposition of any non-financial obligations on the indemnified party.

5.4 **Contribution.** If the indemnification required by this **Article V** from the indemnifying party is unavailable to or insufficient to hold harmless an indemnified party in respect of any indemnifiable losses, claims, damages, liabilities, or expenses, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities, or expenses in such proportion as is appropriate to reflect (i) the relative benefit of the indemnifying and indemnified parties and (ii) if the allocation in clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect the relative benefit referred to in clause (i) and also the relative fault of the indemnified and indemnifying parties, in connection with the actions which resulted in such losses, claims, damages, liabilities, or expenses, as well as any other relevant equitable considerations. The relative benefits received by a party shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by it bear to the total amounts (including, in the case of any underwriter, any underwriting commissions and discounts) received by each other party. The relative fault of the indemnifying party and the indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, such indemnifying party or parties, and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses, claims, damage, liabilities, and expenses referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding. The Company and the Shareholders agree that it would not be just and equitable if contribution pursuant to this **Section 5.4** were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the prior provisions of this **Section 5.4**.

Notwithstanding the provisions of this **Section 5.4**, no indemnifying party shall be required to contribute any amount in excess of the amount by which the total price at which the securities were offered to the public by the indemnifying party exceeds the amount of any damages which the indemnifying party has otherwise been required to pay by reason of an untrue statement or omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such a fraudulent misrepresentation.

ARTICLE VI

OTHER AGREEMENTS

6.1 **Transfer of Rights.**

(a) Any Shareholder may transfer all or any portion of its rights under this Agreement to any direct or indirect transferee of shares held by such Shareholder to the extent such transfer is not in violation of any requirements applicable under any agreement such Shareholder has with the Company. Any such transfer of registration rights will be effective upon receipt by the Company of (i) written notice from such Shareholder stating the name and address of any transferee and identifying the number of shares with respect to which rights under this Agreement are being transferred and the nature of the rights so transferred, and (ii) a written agreement from such transferee Shareholder to be bound by the terms of this Agreement. However, if such transferees constitute the partners or members of Certares Holdings LLC, Certares Holdings (Blockable) LLC or Certares Holdings (Optional) LLC, and their respective affiliated investment vehicles utilized in connection with the investment in the Company, including relevant co-invest and side-by-side entities and their respective investment vehicles (collectively, “**Certares**”) and such partners or members are receiving shares through an in-kind distribution as contemplated by **Section 6.4**, (i) no such written agreement is required, and (ii) such in-kind transferees (as well as other persons or entities to whom such in-kind transferees transfer such shares) will, as transferee Shareholders, be entitled solely to the rights set forth in the subsequent sentence and in **Section 3.8**, **Article V** and **Section 6.4** as third-party beneficiaries to the rights under this Agreement so transferred. In that regard, in-kind transferees and their transferees that receive shares pursuant to **Section 6.4** will not be given demand or piggyback rights; rather, their means of registered resale will be limited to sales off a shelf registration statement with respect to which no special actions are required by the Company or the other Shareholders. The Company and the transferring Shareholder will notify the other Shareholders as to who the transferees are and the nature of the rights so transferred.

(b) In the event the Company engages in a merger or consolidation in which the shares are converted into securities of another company, appropriate arrangements will be made so that the registration rights provided under this Agreement continue to be provided to Shareholders by the issuer of such securities. To the extent such new issuer, or any other company acquired by the Company in a merger or consolidation, was bound by registration rights obligations that would conflict with the provisions of this Agreement, the Company will, unless Shareholders then holding a majority of the shares otherwise agree, use its best efforts to modify any such preexisting registration rights obligations so as not to interfere in any material respects with the rights provided under this Agreement.

(c) In addition, in the event that the Company effects the separation of any portion of its business into one or more entities (each, a “**NewCo**”), whether existing or newly formed, including without limitation by way of spin-off, split-off, carve-out, demerger, recapitalization, reorganization or similar transaction, and any Shareholder will receive equity interests in any such NewCo as part of such separation, the Company shall cause any such NewCo to enter into a registration rights agreement with each such Shareholder that provides each such Shareholder with registration rights vis-à-vis such NewCo that are substantially identical to those set forth in this Agreement.

6.2 Limited Liability. Notwithstanding any other provision of this Agreement, neither the members, general partners, limited partners or managing directors, or any directors or officers of any members, general or limited partner, advisory director, nor any future members, general partners, limited partners, advisory directors, or managing directors, if any, of any Shareholder shall have any personal liability for performance of any obligation of such Shareholder under this Agreement.

6.3 Rule 144. If the Company is subject to the requirements of Section 13, 14 or 15(d) of the Exchange Act, the Company covenants that it will file any reports required to be filed by it under the Securities Act and the Exchange Act (or, if the Company is subject to the requirements of Section 13, 14 or 15(d) of the Exchange Act but is not required to file such reports, it will, upon the request of any Shareholder, make publicly available such information) and it will take such further action as any Shareholder may reasonably request, so as to enable such Shareholder to sell shares without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 under the Securities Act, as such Rule may be amended from time to time, or (b) any similar rule or regulation hereafter adopted by the SEC, subject to any applicable lock-up restrictions. Upon the request of any Shareholder, the Company will deliver to such Shareholder a written statement as to whether it has complied with such requirements.

6.4 In-Kind Distributions. If Certares, as a Shareholder or prospective Shareholder, seeks to effectuate an in-kind distribution of all or part of its shares to its direct or indirect partners, members or other equityholders, the Company will, subject to applicable lockups, work with such Shareholder and the Company’s transfer agent to facilitate such in-kind distribution in the manner reasonably requested by such Shareholder, subject to applicable legal and regulatory requirements, as well as any resales by such transferees under a shelf registration statement covering such distributed shares with respect to which no special actions are required by the Company or the other Shareholders.

7.2 **Section Headings.** Captions, headings and titles contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. When a reference is made in this Agreement to "Articles" or "Sections," such reference shall be to an Article or Section of this Agreement, unless otherwise indicated.

7.3 **Governing Law.** This Agreement, the negotiation, execution or performance of this Agreement and any disputes arising under or related hereto (whether for breach of contract, tortious conduct or otherwise) shall be governed and construed in accordance with the laws of the State of New York.

7.4 **Waiver of Jury Trial.** Each party hereby waives, to the fullest extent permitted by law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby or thereby or disputes relating hereto or thereto. Each party (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; and (b) acknowledges that it and the other parties have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this **Section 7.4.**

7.5 **Consent to Jurisdiction and Service of Process.** Each party irrevocably agrees that any Proceeding against them arising out of or in connection with this Agreement or the transactions contemplated by this Agreement or disputes relating hereto (whether for breach of contract, tortious conduct or otherwise) shall be brought exclusively in the United States District Court for the Southern District of New York, or, if such court does not have subject matter jurisdiction, the state courts of New York located in New York County, and hereby irrevocably accepts and submits to the exclusive jurisdiction and venue of the aforesaid courts in personam with respect to any such Proceeding and waives to the fullest extent permitted by law any objection that it may now or hereafter have that any such Proceeding has been brought in an inconvenient forum. Each of the parties consents to service of any process, summons, notice or document that may be served in any Proceeding in the United States District Court for the Southern District of New York or the state courts of New York located in New York County, which service may be made by certified or registered mail, postage prepaid, or as otherwise provided in **Section 7.1**, to such party's respective address set forth in **Section 7.1**. It is further agreed that (A) a final judgment in any such Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law; (B) nothing in this **Section 7.5** shall affect the right of any party to serve legal process in any other manner permitted by Law; and (C) the consent to jurisdiction provided in this **Section 7.5** shall not constitute a general consent to service of process in the State of New York.

7.6 **Amendments.** This Agreement may be amended, modified, superseded or canceled only by an instrument in writing signed by each of the parties, and any of the terms, covenants, representations, warranties or conditions hereof may be waived only by an instrument in writing signed by or on behalf of the party waiving compliance. No course of dealing between the parties shall be effective to amend or waive any provision of this Agreement. Except as specifically provided herein, the failure or delay of any party to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of or non-compliance with this Agreement shall be held to be a waiver of any other or subsequent breach or non-compliance. Any such amendment will apply to all Shareholders equally, without distinguishing between them.

7.7 **Termination.** This Agreement will terminate as to any Shareholder when it no longer holds any shares. In addition, any Shareholder that owns less than 1% of the outstanding shares may, upon delivery of an opinion or representation letter in accordance with the procedures of the Company's transfer agent that such Shareholder meets the applicable conditions of Rule 144 for the removal of transfer restriction legends from its shares, require the Company to remove such transfer restriction legends from its shares, at which time this Agreement shall terminate as to such Shareholder.

7.8 **Entire Agreement.** This Agreement constitute the entire understanding between the parties with respect to the subject matter hereof and thereof, and supersede all other understandings and negotiations with respect thereto. The parties agree to define their rights, liabilities and obligations with respect to such understanding and the transactions contemplated hereby exclusively in contract pursuant to the express terms and provisions of this Agreement, and the parties expressly disclaim that they are owed any duties or are entitled to any remedies not expressly set forth in this Agreement. The registration rights granted under this Agreement supersede any registration, qualification or similar rights with respect to any of the shares granted under any other agreement, and any of such preexisting registration rights are hereby terminated.

7.9 **Severability.** Every provision of this Agreement is intended to be severable. In the event that any provision contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any jurisdiction, such provision shall be ineffective as to such jurisdiction to the extent of such invalidity, illegality or unenforceability without invalidating or affecting the remaining provisions hereof or affecting the validity, legality or enforceability of such provision in any other jurisdiction. Upon such determination of illegality or invalidity, the parties shall negotiate in good faith to amend this Agreement to effect the original intent of the parties. In any event, the invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of this Agreement, including that provision, in any other competent jurisdiction.

7.10 **Counterparts.** This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when each party shall have received counterparts hereof signed by each of the other parties. If any signature is delivered in PDF or other electronic form, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such PDF or electronic signature were an original thereof.

7.11 **Equitable Remedies.** The parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that (a) the parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement; and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and without that right, none of the parties would have entered into this Agreement. The parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the Parties otherwise have an adequate remedy at law. The parties acknowledge and agree that any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this **Section 7.11** shall not be required to provide any bond or other security in connection with any such order or injunction.

7.12 **No Inconsistent Agreements.** From and after the date of this Agreement, the Company shall not enter into any agreement with any person, including any holder or prospective holder of any securities of the Company, giving or granting any registration (or related) rights the terms of which are more favorable than, senior to or conflict with, the registration or other rights granted to the Shareholders hereunder.

7.13 **Cumulative Remedies.** Except as specifically provided herein, all remedies, either under this Agreement or by law or otherwise afforded, shall be cumulative and not alternative.

Liberty TripAdvisor Holdings Announces \$325 million Investment by Certares

ENGLEWOOD, Colo.--(BUSINESS WIRE) -- Liberty TripAdvisor Holdings, Inc. (“Liberty TripAdvisor”) (Nasdaq: LTRPA, LTRPB) announced today that it has entered into an Agreement (“Agreement”) with funds managed by Certares Management LLC (“Certares”) whereby Certares will purchase \$325 million of 8% Series A Cumulative Redeemable Preferred Stock. The net proceeds from this investment, combined with \$34 million of secured borrowings against a variable price forward and cash on hand, will repay 100% of the outstanding balance under Liberty TripAdvisor’s existing margin loan. Upon completion of this investment, Greg O’Hara, Founder and Senior Managing Director of Certares, is expected to join the Liberty TripAdvisor Board.

“We welcome Certares as a strategic investor in Liberty TripAdvisor,” said Greg Maffei, Liberty TripAdvisor Chairman, President & CEO. “Certares has deep experience and a highly successful track record investing in the travel, tourism and hospitality sectors, and we will greatly benefit from Greg’s insight on our board. In addition, and importantly, this investment secures long-term financing, which is not tied to stock price movements in this volatile environment.”

“Liberty TripAdvisor is a natural fit for Certares,” said Greg O’Hara. “We seek leaders in our sectors and look forward to deeper involvement with Liberty TripAdvisor and TripAdvisor, the world’s largest online travel community.”

The Agreement contains certain covenants of Liberty TripAdvisor and Certares. These covenants along with additional terms of the Preferred Stock can be found in the Form 8-K that will be filed by Liberty TripAdvisor with the U.S. Securities and Exchange Commission.

Liberty TripAdvisor expects to complete this investment within 10 business days.

Goldman Sachs & Co. LLC and Société Générale S.A. served as financial advisors to Liberty TripAdvisor and Baker Botts L.L.P. served as its legal counsel. Simpson Thacher & Bartlett LLP served as Certares’ legal counsel.
